Anyone Can Be Catholic:

How Can You Still Be Catholic? Christopher Sparks, Christopher Sparks asked Facebook friends to finish the question How can you still be Catholic when The replies came swiftly and forcefully With that Sparks went to work Here is the result In this book he addresses the biggest issues people grapple with when they think about the Catholic Church the Inquisition the Crusades the Church s role in a state homosexuality the role of women in the Church and many others For skeptics and non Catholics this book is an invitation to understanding the faith a way for outsiders to hear one contemporary Catholic s worldview and to see through Catholic eyes even if they remain unconvinced For Catholics this book is an introduction to an array of answers and resources for delving more deeply into and defending the faith Anyone Can Grow Up Margaret Carlson,2003 Margaret Carlson presents her columns and views on motherhood feminism and politics and includes how she became Time magazine s first woman columnist **Cross-Examined: Catholic Responses to the World's Questions** Fr. Carter Griffin,2021-08-16 While social norms and political movements are rapidly changing the truth of the Catholic faith stands firm In Cross Examined Catholic Responses to the World s Questions readers are equipped to address even the most sensitive topics from the existence of God to the existence of hell from women s ordination to Marian devotion from assisted suicide to transgenderism In Cross Examined Fr Carter Griffin begins each discussion not with Catholic teaching but rather with its most common objections Articulating these objections serves several purposes First it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement Pointing out objections also helps believers respond more persuasively in discussions with non Catholic friends Perhaps most importantly knowing the common objects instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching After identifying principal objections each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn In our shrill age that seems ever less capable of rational discourse the method used in Cross Examined can offer a way to remain faithful to our beliefs while acknowledging respecting and responding to alternative points of view **Waking Up Catholic** Chad R.
