

A black and white photograph of Burt Bacharach. He is an older man with short, light-colored hair, smiling warmly at the camera. He is wearing a light-colored shirt and a dark vest. His hands are positioned on a piano keyboard, which is visible in the lower right corner of the frame. The background is softly blurred, showing what appears to be a window or a bright interior space.

Photos of the Heart Larry Evans, 2010-06-22 Out of my hopelessness and desperation I realized I couldn t go on living with this terrible pain that had taken over my life I needed help but I didn t know who could help me deal with this grief I was going through I knew I couldn t do it in my own strength and it had to be someone much stronger than me It had to be someone who could understand and know the pain in my heart I found that someone who took away this pain that was choking the life out of me I found strength in his loving arms Without Him I could not have made it on my own He knew what I was going through because He could feel my pain This is my story about my grief journey and how someone rescued me from my grief He gave me so much of Himself that the only way I could share it with you is to take you through the *Photos of The Heart* I was born August 2 1949 in Gadsden Alabama While attending college I met the most wonderful woman my beloved future wife and we were married 34 years We have three sons a daughter in law and five grandkids whom I love dearly I don t have a long list of books that I have written to convince you to read this book But I do have backing from the greatest author who ever was is and will ever be God I have written in this book what He gave me and since this is His book all royalties will go to Him My heartfelt prayer is that when you read this book you will see God s wonderful love and see He is waiting for you to give Him your grief

preachers want to preach better but they don't always know how to go about improving and most books on preaching focus on the mechanics of the craft But preaching involves more than the steps from a text to a sermon because every time a preacher stands up to preach their character shines through for better or for worse In *The Heart of the Preacher* Rick Reed focuses on the personal heart preparation required before any preacher is ready to preach He explores issues preachers often wrestle with like discouragement insecurity and pride He then offers practices to fight these challenges and form a heart that carries the fruit of the Spirit into the pulpit It takes more than a good speaker to preach It takes a Spirit filled person This book will help you check your heart and cultivate the most important aspect of preaching your character
