*Lost Wings of the Soul* Robert Teach, 2012 I had two wonderful boys born into my life that I love with all my heart and savoured every moment as they grew up After a bitter divorce my ex wife methodically took all contact away from me and my children I had lost part of my soul or the wings of who I was I vowed with my children that I wouldn't see them go through the mess of a divorce and separation of parents like I had and the loss of who I really was deep inside But it happened and they became increasingly alienated from me I lost who I was even more Through a lot of soul searching and letting go I found I needed to now heal the wings of my soul and truly delve deep inside what makes me who I am to escape this circle of loss By learning from past mistakes and re-lighting the burning fires within I could help myself and ultimately take myself and the soul of my wings to higher places I have not been before or places I was afraid to go before Through these life lessons I was starting to find out my soul and my lost wings

Everything Must Go Dorian Lynskey, 2025-01-28 A rich captivating and darkly humorous look into the

evolution of apocalyptic thought exploring how film and literature interact with developments in science politics and culture and what factors drive our perennial obsession with the end of the world As Dorian Lynskey writes People have been contemplating the end of the world for millennia In this immersive and compelling cultural history Lynskey reveals how religious prophecies of the apocalypse were secularized in the early 19th century by Lord Byron and Mary Shelley in a time of dramatic social upheaval and temporary climate change inciting a long tradition of visions of the end without gods With a discerning eye and acerbic wit Lynskey examines how various doomsday tropes and predictions in literature art music and film have arisen from contemporary anxieties whether they be comets pandemics world wars the Cuban Missile Crisis Y2K or the climate emergency Far from being grim Lynskey guides readers through a rich array of fascinating stories and surprising facts allowing us to keep company with celebrated works of art and the people who made them from H G Wells Jack London W B Yeats and J G Ballard to The Twilight Zone Dr Strangelove Mad Max and The Terminator Prescient and original Everything Must Go is a brilliant sweeping work of history that provides many astute insights for our times and speaks to our urgent concerns for the future

*All the Year Round - Conducted by Charles Dickens*, 1871 Sea Changes Bernhard Klein, Gesa Mackenthun, 2012-08-21 The sea has been the site of radical changes in human lives and national histories It has been an agent of colonial oppression but also of indigenous resistance a site of loss dispersal and enforced migration but also of new forms of solidarity and affective kinship SeaChanges re evaluates the view that history happens mainly on dry land and makes the case for a creative reinterpretation of the role of the sea not merely as a passage from one country to the next but a historical site deserving close study

*The Castaway's Tale* Evan Balkan, 2025-03-05 In 1729 a remarkable book appeared in London The author Robert Drury took up residence at Old Tom's coffeehouse in the center of the city welcoming the curious to hear his incredible tale a voyage to Asia on an East India ship floundering off the coast of Madagascar and at just fourteen years of age how Drury became enslaved on that island for the next decade and a half before a miraculous return to England But did Drury actually write the book that bore his name Or was it an invention from none other than Daniel Defoe author of Robinson Crusoe the famous but fictionalized castaway story based on true events Or was Drury's story real and was Defoe unnamed and unattributed the man who put the book together based on what Drury told him Drawing from newly available archival material this work tells the full story of Robert Drury Daniel Defoe and the connection between them piecing

together the puzzle of their potential collaboration and presenting a fuller biography of Drury than previously available The result is a story as full of twists and turns as Drury's own      **Robinson Carew - Castaway** Dale Collins,1949      **Survivor's Quest: Star Wars Legends** Timothy Zahn,2011-06-28 The specter of the menacing Grand Admiral Thrawn looms over Luke and Mara Jade Skywalker as they embark on a journey to recover an important piece of Jedi history Sometimes it seems a Jedi's work is never done and Luke and Mara Jade Skywalker know this only too well Despite the bond they share in the Force the Jedi Master and his wife are still learning the ropes of being a couple after three years of marriage and struggling to find time together between the constant demands of duty But all that will change when they're united on an unexpected mission They must pool their exceptional skills to combat an insidious enemy and salvage a part of Jedi history Whatever may await the Skywalkers will not face it alone Joining them on the strange and solemn journey are an officer of the post Palpatine Empire escorted by a detachment of Imperial stormtroopers a party of diplomats from a gentle alien species that reveres the fallen Jedi for saving them from bloodthirsty conquerors and a New Republic ambassador who harbors his own mysterious agenda Soon enough suspicion secrecy and an unknown saboteur run rampant aboard the isolated ship But the gravest danger lies within the derelict walls of Outbound Flight buried for half a century on a desolate planetoid As the marooned hulk yields up stunning revelations and unexpected terrors to its visitors Luke and Mara find all that they stand for and their very existence brutally challenged The ultimate test will be surviving the deathtrap carefully laid by foes who are legendary for their ruthlessness and determined to complete the job Thrawn began exterminating the Jedi
