Nikolai Chernyshevskii and Ayn Rand Aaron Weinacht, 2021-10-07 Nikolai Chernyshevskii and Ayn Rand Russian Nihilism Travels to America argues that the core commitments of the nihilist movement of the 1860s made their way to 20th century America via the thought of Ayn Rand While mid nineteenth century Russian nihilism has generally been seen as part of a radical tradition that culminated in the Bolshevik Revolution of 1917 the author argues that nihilism's intellectual trajectory was in fact quite different Analysis of such sources as Nikolai Chernyshevskii's What is to Be Done 1863 and Ayn Rand's Atlas Shrugged 1957 archival research in Rand's papers and broad attention to late nineteenth century Russian intellectual history all lead the author to conclude that nihilism's legacy is deeply implicated in one of America's most widely read philosophers of capitalism and libertarian freedom

friends and they would say You need to write a book about that I am certain they were not serious but I thought Why not There were some crazy things that happened in a lifetime of experiences To meet so many legends I had to be there at the right place and at the right time I have written many stories that have educational and historical significance Most of the stories are intended to have humor with no harm intended to anyone From the Ball Fields to the Coalfields is written to be nonfiction although some stories are hard to believe The lifetime of experiences mostly occurred in three regions of Virginia and some in Concord North Carolina The three regions in Virginia were the coastal tidewater area the Shenandoah Valley and the coalfields of far southwest Virginia The people involved are friends family teachers coaches pro athletes my baseball teammates and so many wonderful kids that I taught or coached Although my book may be considered as an autobiography it is more about people that the reader would enjoy hearing about their accomplishments rather than my own During the time I wrote From the Ball Fields to the Coalfields which started in 2001 until the present time there were changes in people s lives such as a professional athlete or a coach changing jobs in some cases Also there were some people that I wrote about who are now deceased Some of these occurrences are not mentioned although the people who have passed away are in the section on IN MEMORY OF The book is written over a twenty year period but as chronological as possible with changes in people s occupations and awards such as a National Hall of Fame Award to basketball coach Lefty Driesell Please refer to chapter 32 LEFTY Before my time on the ball fields the book covers my grandfather s part in helping with the Great Depression and an early part of my family in Concord North Carolina The period covers a period about being a World War II child gangs of the fifties school and amateur baseball glory years of sports by way of radio how army and college life was over fifty years ago and how it was to be a teacher and coach for most of the period beginning in the early 1960s until 2010 Racial equality is one of America s top issues Chapters 20 22 23 and 27 demonstrate how far our nation has gone to be equal but we still have a way to go The chapters stress my involvement with African American treatment before Dr Martin L King s speech about freedom If I would have fulfilled my childhood dream and made it to the Major Leagues then I would not have the nostalgic stories about my family childhood friends teaching and coaching friends and those thousands of kids who are in my book From the Ball Fields to the Coalfields

Presbyterian Survey ,1974 **A Singing Contest** Meg Tyler,2013-11-05

A formal analysis A Singing Contest comprises close readings of Seamus Heaney s poetry Tyler argues that in an era of fractured poetry and politics Seamus Heaney stands out his impulse is towards unity and regeneration Her book considers the interplay between different kinds of literary tradition and community in his poetry For Heaney poetry represents a structure allowing imaginative mediation of conflicts that appear irreconcilable in the social political and historical realms By detailed structural analysis of diction meter imagery and generic form Tyler illustrates how Heaney s poems create concords from discords unities from fracture From the preface by Rosanna Warren A Singing Contest is written with imaginative and emotional urgency and in some large sense as it examines Heaney s spells it seems itself to want to cast a spell against death

Hence Tyler's return in various ways to readings of elegy whether the fictive elegies of classical pastoral poems or Heaney's personal elegies. She pores in detail over Clearances the sonnet sequence composed in memory of the poet's mother in *The Haw Lantern* and she concludes her book with a chapter on literary elegies. Heaney's farewells to his friends and admired contemporaries Ted Hughes, Zbigniew Herbert and Joseph Brodsky. In these analyses one sees the wholeness of Tyler's project: her argument that for Heaney literary tradition itself rightly received and transformed reaches into the voids made by death and establishes connection across rupture. Her thesis is an ancient one and she gives it particular shape and force in asking us to contemplate it at work in Heaney where it binds individual to collective experience and past to present.

Showmen's Motion Picture Trade Review, 1957 *The Daily Show (The Book)* Chris Smith, 2016-11-22. The complete uncensored history of the award-winning *The Daily Show* with Jon Stewart as told by its correspondents, writers and host. For almost seventeen years *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star-cast members and writers including Samantha Bee, Stephen Colbert, John Oliver, Steve Carell, Lewis Black, Jessica Williams, John Hodgman and Larry Wilmore, plus some of *The Daily Show*'s most prominent guests and adversaries John and Cindy McCain, Glenn Beck, Tucker Carlson and many more. This oral history takes the reader behind the curtain for all the show's highlights from its origins as Comedy Central's underdog late-night program hosted by Craig Kilborn to Jon Stewart's long reign to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics, a trusted source for not only comedy but also commentary with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, Jon Stewart's emotional monologue in the wake of 9/11, his infamous confrontation on *Crossfire*, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, the Indecision, *Moss*, *O Potamia* and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now for the first time the people behind the show's seminal moments come together to share their memories of the last minute, rewrites, improvisations, pranks, romances, blow-ups and moments of Zen both on and off the set of one of America's most groundbreaking shows.
