Anthem Plot Diagram:

Essays on Ayn Rand's Anthem Robert Mayhew, 2005-05-20 In this first book length study of Ayn Rand's anti-utopia Anthem essays explore the historical literary and philosophical themes presiding in this novella written in opposition to the totalitarianism of the Soviet Union and Nazi Germany Written in 1937 published in 1938 in Britain and subsequently in a revised form in the United States in 1946 Anthem investigates the importance of the ego and freedom and the individual against the state Editor Robert Mayhew has collected a variety of essays dealing with such topics including the history behind the novella's creation publication and reception its connection to other anti-utopian novels and the significance of ego and freedom which it portrays and defends This book is important to philosophers as well as readers looking to gain a better understanding of Ayn Rand and Anthem

Anthem Ayn Rand, 2005-04-21 Anthem is Ayn Rand's classic tale of a dystopian future of the great We a world that deprives individuals of a name or independence that anticipates her later masterpieces The Fountainhead and Atlas Shrugged They existed only to serve the state They were conceived in controlled Palaces of Mating They died in the Home of the Useless From cradle to grave the crowd was one the great WE In all that was left of humanity there was only one man who dared to think seek and love He lived in the dark ages of the future In a loveless world he dared to love the woman of his choice In an age that had lost all trace of science and civilization he had the courage to seek and find knowledge But these were not the crimes for which he would be hunted He was marked for death because he had committed the unpardonable sin He had stood forth from the mindless human herd He was a man alone He had rediscovered the lost and holy word I I worship individuals for their highest possibilities as individuals and I loathe humanity for its failure to live up to these possibilities Ayn Rand

Torah and Canon James A. Sanders, 2005-06-08 In this thoroughly revised edition of his classic work James A Sanders introduces the reader to canonical criticism Tracking the various developments of biblical literature and their acceptance by the communities of faith Sanders tackles the tough questions He discusses the differences between the parts of the canon the editing of the texts by later generations the diversity of canons used in different communities how the Dead Sea Scrolls raise new questions for canonicity and the differences between how Jews and Christians have interacted with their canons In addition to all the updates and revisions Sanders provides a new introduction and bibliography
