Anti-Social Behaviour in Britain Sarah Pickard,2014-10-22 This comprehensive interdisciplinary collection examines diverse forms of anti social behaviour in Victorian and contemporary Britain providing a unique comparison of the methods which have been employed by governments to control it

Anti-Social Behaviour in Britain Sarah Pickard,2014-10-22 This comprehensive interdisciplinary collection examines diverse forms of anti social behaviour in Victorian and contemporary Britain providing a unique comparison of the methods which have been employed by governments to control it

The Music Profession in Britain, 1780-1920 Rosemary Golding,2018-03-15 Professionalisation was a key feature of the changing nature of work and society in the nineteenth century with formal accreditation registration and organisation becoming increasingly common Trades and occupations sought protection and improved status via alignment with the professions an attempt to impose order and standards amid rapid social change urbanisation and technological development The structures and expectations governing the music profession were no exception and were central to changing perceptions of musicians and music itself during the long nineteenth century The central themes of status and identity run throughout this book charting ways in which the music profession engaged with its place in society Contributors investigate the ways in which musicians viewed their own identities public perceptions of the working musician the statuses of different sectors of the profession and attempts to manipulate both status and identity Ten chapters examine a range of sectors of the music profession from publishers and performers to teachers and military musicians and overall themes include class gender and formal accreditation The chapters demonstrate the wide range of sectors within the music profession the different ways in which these took on status and identity and the unique position of professional musicians both to adopt and to challenge social norms

Crime and Society in England, 1750-1900 Clive Emsley,2018-01-12 Ranging from the middle of the eighteenth through to the end of the nineteenth century Crime and Society in England 1750 1900 explores the developments in policing the courts and the penal system as England became increasingly industrialised and urbanised Through a consideration of the difficulty of defining crime the book presents criminal behaviour as being intrinsically tied to historical context and uses this theory as the basis for its examination of crime within English society during this period In this fifth edition Professor Emsley explores the most recent research including the increased focus on ethnicity gender and cultural representations of crime allowing students to gain a broader view of modern English society Divided thematically the book s coverage includes the varying perceptions of crime across different social groups crime in the workplace the concepts of a criminal class and professional criminals the developments in the courts the police and the prosecution of criminals Thoroughly updated to address key questions surrounding crime and society in this period and fully equipped with illustrations tables and charts to further highlight important aspects Crime and Society in England 1750 1900 is the ideal introduction for students of modern crime

Modern Folk Devils Martin Demant Frederiksen,Ida Harboe

Knudsen,2021-12-13 The devilish has long been integral to myths legends and folklore firmly located in the relationships between good and evil and selves and others But how are ideas of evil constructed in current times and framed by contemporary social discourses Modern Folk Devils builds on and works with Stanley Cohen s theory on folk devils and moral panics to discuss the constructions of evil The authors present an array of case studies that illustrate how the notion of folk devils nowadays comes into play and animates ideas of otherness and evil throughout the world Examining current fears and perceived threats this volume investigates and analyzes how and why these devils are constructed The chapters discuss how the devilish may take on many different forms sometimes they exist only as a potential threat other times they are a single individual or phenomenon or a visible group such as refugees technocrats Roma hipsters LGBT groups and rightwing politicians Folk devils themselves are also given a voice to offer an essential complementary perspective on how panics become exaggerated facts distorted and problems acutely angled Bringing together researchers from anthropology sociology political studies ethnology and criminology the contributions examine cases from across the world spanning from Europe to Asia and Oceania Law and Society in England 1750-1950 William Cornish,Stephen Banks,Charles Mitchell,Paul Mitchell,Rebecca Probert,2019-10-31 Law and Society in England 1750 1950 is an indispensable text for those wishing to study English legal history and to understand the foundations of the modern British state In this new updated edition the authors explore the complex relationship between legal and social change They consider the ways in which those in power themselves imagined and initiated reform and the ways in which they were obliged to respond to demands for change from outside the legal and political classes What emerges is a lively and critical account of the evolution of modern rights and expectations and an engaging study of the formation of contemporary social administrative and legal institutions and ideas and the road that was travelled to create them The book is divided into eight chapters Institutions and Ideas Land Commerce and Industry Labour Relations The Family Poverty and Education Accidents and Crime This extensively referenced analysis of modern social and legal history will be invaluable to students and teachers of English law political science and social history **The Show Must Go On! Popular Song in Britain During the First World War** John Mullen,2016-03-03 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War Mullen considers the position of songs of this time within the history of popular music and the needs tastes and experiences of working class audiences who loved this music To do this he dispels some of the nostalgic rose tinted myths about music hall At a time when recording companies and record sales were marginal the book shows the centrality of the live show and of the sale of sheet music to the economy of the entertainment industry Mullen assesses the popularity and significance of the different genres of musical entertainment which were common in the war years and the previous decades including music hall revue pantomime musical comedy blackface minstrelsy army entertainment and amateur entertainment in prisoner of war camps He also

considers non commercial songs such as hymns folk songs and soldiers songs and weaves them into a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war **The Show Must Go On! Popular Song in Britain During the First World War** Dr John Mullen,2015-08-28 Using a collection of over one thousand popular songs from the war years as well as around 150 soldiers songs John Mullen provides a fascinating insight into the world of popular entertainment during the First World War He considers the position of songs of this time within the history of popular music and the needs tastes and experiences of their working class audiences He assesses the different genres of musical entertainment which were common in the war years and presents a subtle and nuanced approach to the nature of popular song the ways in which audiences related to the music and the effects of the competing pressures of commerce propaganda patriotism social attitudes and the progress of the war **Popular Song in the First World War** John Mullen,2018-09-18 What did popular song mean to people across the world during the First World War For the first time song repertoires and musical industries from countries on both sides in the Great War as well as from neutral countries are analysed in one exciting volume Experts from around the world and with very different approaches bring to life the entertainment of a century ago to show the role it played in the lives of our ancestors The reader will meet the penniless lyricist the theatre chain owner the cross dressing singer fado composer stage Scotsman or rhyming soldier whether they come from Serbia Britain the USA Germany France Portugal or elsewhere in this fascinating exploration of showbiz before the generalization of the gramophone Singing was a vector for patriotic support for the war and sometimes for anti war activism but it was much more than that and expressed and constructed debates anxieties social identities and changes in gender roles This work accompanied by many links to online recordings will allow the reader to glimpse the complex role of popular song in people s lives in a period of total war *No Problem Here* Neil Davidson,Minna Liinpää,Maureen McBride,Satnam Virdee,2018-03-15 Does Scotland have a problem with racism With its civic nationalism and welcoming attitude towards migrants and refugees Scotland is understood to be relatively free of structural and institutional racism As the contributors to this book show such generalisations fail to withstand serious investigation Their research into the historical record and contemporary reality tells a very different story Opening up a debate on a subject that has been shut down for too long *No Problem Here* gathers together the views of academics activists and anti racism campaigners who argue that it is vital that the issue of racism be brought into the centre of public discourse Scotland s role in maintaining and extending slavery across the British Empire is finally beginning to receive the attention it deserves Yet there is much more that needs to be said about racism in Scotland today **The Sexual Logics of Neoliberalism in Britain** Aura Lehtonen,2022-12-30 This book explores the relationship between sexuality and politics in Britain s recent political past in the decade preceding the Covid 19 pandemic and asks what sexual meanings and logics are embedded in the dominant

political discourses and policies of this time A discursive framing of exceptionality has commonly attached to the politics of austerity crisis and neoliberalisation that have characterised the 2010s in Britain with many noting the depoliticising effects of such a crisis politics The book s four case studies each investigate a binary concept that has played a key role in these limited and limiting discourses the stable family troubled family deserving undeserving public private and material cultural Deploying an expansive notion of sexuality these binaries are examined by analysing a range of cultural and political texts in which they are reproduced from policy and legal documents to popular films and TV series This empirically informed and theoretically innovative analysis makes an important contribution to understandings of sexuality identity and inequalities as well as of crisis and neoliberalism It will be of interest to scholars and students in gender and sexuality studies cultural studies sociology politics and social policy

Labour united and divided from the 1830s to the present Emmanuelle Avril,Yann Béliard,2018-08-31 This book seeks to renew and expand the field of British labour studies setting out new avenues for research so as to widen the audience and academic interest in the field in a context which makes the revisiting of past struggles and dilemmas more pressing than ever

Political Ecology and Environmentalism in Britain Brendan Prendiville,David Haigron,2020-02-24 This collection of essays highlights the different dimensions of the contemporary British environmentalist movement from a multidisciplinary viewpoint Beginning with an historical overview of the movement the reader is then presented with an analysis of the politics of climate change from a political science perspective This is followed by a sociological examination of climate change protesters and environmental activism among young people The volume also includes an analysis of the ideological relationship between political ecology and the British Left as well as a case study of environmentalism in Wales against the backdrop of devolution The book is based on two distinct yet complementary perspectives environmentalism and political ecology What is this distinction and what is its significance Answers to these questions and others can be found in these essays which are a must read for both students and researchers interested in environmental politics in Britain and British area studies

The Scandal of Pentecost Wolfgang Vondey,2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity

The Coalition Government and

Social Policy Bochel, Hugh, Powell, Martin, 2016-03-24 In May 2015 general elections in the United Kingdom shocked the world as a new Conservative Government was voted into power ending five years of Coalition governance Both a response to the actions of the Coalition Government and a reflection on the implications of actions taken during the first hundred days of the new Conservative Government this book could not be more timely in its assessment of the current and future states of UK social policies The first book to consider Coalition social policy in its entirety it not only reviews and evaluates the extent of change under the Coalition looking at the impact of factors like austerity measures on social policies and politics more broadly but also draws out what the Coalition years will mean for the incoming government outlining both the challenges and opportunities of its legacy

Growing Up and Getting By John Horton, Helena Pimlott-Wilson, Sarah Marie Hall, 2022-10 This book explores how children young people and families cope with situations of socio economic poverty and precarity in diverse international contexts and looks at the evidence of the harms and inequalities caused by these processes

Youth Marginality in Britain Blackman, Shane, Rogers, Ruth, 2017-06-28 Though they tend to get less attention than other disadvantaged groups huge numbers of young people today in Britain are marginalized experiencing isolation social hardship gender and ethnic discrimination and overall social stigma a situation that has been exacerbated by the combination of austerity measures and a weak job market that has all too often cut young people off from support and employment This book sets that marginalization in the broader context of austerity poverty and inequality to show both recent changes and long term continuity in the position of young people with a special emphasis on the voice of youth and the forms of resistance they adopt

Fraudulent Lives Steven King, 2024-11-15 The Western welfare state model is beset with structural financial and moral crises So called scroungers cheats and disability fakers persistently occupy the centre of public policy discussions even as official statistics suggest that relatively small amounts of money are lost to such schemes In Fraudulent Lives Steven King focuses on the British case in the first ever long term analysis of the scale meaning and consequences of welfare fraud in Western nations King argues that an expectation of dishonesty on the part of claimants was written into the basic fabric of the founding statutes of the British welfare state in 1601 and that nothing has subsequently changed Efforts throughout history to detect and punish fraud have been superficial at best because he argues it has never been in the interests of the three main stakeholders claimants the general public and officials and policymakers to eliminate it Tracing a substantial underbelly of fraud from the seventeenth century to today King finds remarkable continuities and historical parallels in public attitudes towards the honesty of welfare recipients patterns that hold true across Western welfare states

Living Legacies of Social Injustice Chris Beasley, Pam Papadelos, 2023-08-14 Through a wide range of international and interdisciplinary case studies this book develops the notion of legacy and in particular living legacy that is it explores power relations in the context of time as a means to considering and challenging social injustice Legacies of social injustice are very frequently erased denied or declared redundant Framed by the concept of legacy this book does not conceive legacy as

simply referring to relics of the past or to cultural heritage practices and artifacts. Instead, the book focuses upon living legacies understood as ongoing, actively engaged in the reconstitution of power relations and influential in the development of alternative political imaginaries. Through a variety of studies from many different contexts including Indigenous trauma in Australia, displacement in Beirut, women travellers in Scotland, and heteronormativity in Hollywood, the book draws not only upon historiographic, sociological, legal, political, cultural, and other disciplinary approaches but also specifically makes use of feminist and postcolonial perspectives. Foregrounding the legacies of inequality and marginalisation, it contributes to a rethinking of power and social change in ways that together suggest potential means for unsettling and reimagining such legacies. This book will appeal to an interdisciplinary range of readers with interests and concerns in the broad area of social justice but especially to those working in sociolegal studies, sociology, gender studies, indigenous studies, and politics.

Constructing Roma Migrants Tina Magazzini, Stefano Piemontese, 2019-02-22. This open access book presents a cross-disciplinary insight and policy analysis into the effects of European legal and political frameworks on the life of Roma migrants in Europe. It outlines the creation and implementation of Roma policies at the European level, provides a systematic understanding of identity-based exclusion, and explores concrete case studies that reveal how integration and immigration policies work in practice. The book also shows how the Roma example might be employed in tackling the governance implications of our increasingly complex societies and assesses its potential and limitations for integration policies of vulnerable groups such as refugees and other discriminated minorities. As such, the book will be of interest to academics, practitioners, policy makers, and a wider academic community working in migration, refugee, poverty, and integration issues more broadly.

Anti Social Behaviour In Britain Victorian And Contemporary Perspectives Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Anti Social Behaviour In Britain Victorian And Contemporary Perspectives PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Anti Social Behaviour In Britain Victorian And Contemporary Perspectives PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Anti Social Behaviour In Britain Victorian And Contemporary Perspectives free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Anti Social Behaviour In Britain Victorian And Contemporary Perspectives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Anti Social Behaviour In Britain Victorian And Contemporary Perspectives is one of the best book in our library for free trial. We provide copy of Anti Social Behaviour In Britain Victorian And Contemporary Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Anti Social Behaviour In Britain Victorian And Contemporary Perspectives.
