titles every month **Visible Learning for Literacy, Grades K-12** Douglas Fisher, Nancy Frey, John Hattie, 2016-03-22

Every student deserves a great teacher not by chance but by design Douglas Fisher Nancy Frey John Hattie What if someone slipped you a piece of paper listing the literacy practices that ensure students demonstrate more than a year's worth of learning for a year spent in school Would you keep the paper or throw it away We think you'd keep it And that's precisely why acclaimed educators Douglas Fisher Nancy Frey and John Hattie wrote Visible Learning for Literacy They know teachers will want to apply Hattie's head-turning synthesis of more than 15 years of research involving millions of students which he used to identify the instructional routines that have the biggest impact on student learning These practices are visible for teachers and students to see because their purpose has been made clear they are implemented at the right moment in a student's learning and their effect is tangible Yes the aha moments made visible by design With their trademark clarity and command of the research and dozens of classroom scenarios to make it all replicable these authors apply Hattie's research and show you How to use the right approach at the right time so that you can more intentionally design classroom experiences that hit the surface deep and transfer phases of learning and more expertly see when a student is ready to dive from surface to deep Which routines are most effective at specific phases of learning including word sorts concept mapping close reading annotating discussion formative assessment feedback collaborative learning reciprocal teaching and many more Why the 8 mind frames for teachers apply so well to curriculum planning and can inspire you to be a change agent in students' lives and part of a faculty that embraces the idea that visible teaching is a continual evaluation of one's impact on student's learning Teachers it's time we embrace the evidence update our classrooms and impact student learning in wildly positive ways say Doug Nancy and John So let's see Visible Learning for Literacy for what it is the book that renews our teaching and reminds us of our influence just in time
