**Antigone** Sophocles, 2017-09-14 The gods never move faster than when punishing men with the consequences of their own actions Desperate to gain control over a city ravaged by civil war Creon refuses to bury the body of Antigone's rebellious brother Outraged she defies his edict Creon condemns the young woman his niece to be buried alive The people daren t object but the prophet Teiresias warns that this tyranny will anger the gods the rotting corpse is polluting the city Creon hesitates and his fate is sealed Sophocles great tragic play dramatises the clash between the family and the city and with high poetry and deep tragedy presents an irreconcilable but equally balanced conflict Sophoclean heroine Antigone has become a cultural archetype the symbol of personal integrity and an icon of political freedom whilst her coprotagonist Creon can be interpreted as either a civic saviour or a ruthless tyrant This translation by Don Taylor accurate yet poetic was made for a BBC TV production of the Theban Plays in 1986 which he directed Antigone Jean Anouilh, Ted Freeman, 2000-12-14 The play follows the plot of Sophocles Antigone Contains one of the monologues for Year 12 Theatre Studies 2001 **Three Theban Plays** Sophocles, 1984-02-07 The heroic Greek dramas that have moved theatergoers and readers since the fifth century B C Towering over the rest of Greek tragedy the three plays that tell the story of the fated Theban royal family Antigone Oedipus the King and Oedipus at Colonus are among the most enduring and timeless dramas ever written Robert Fagles s authoritative and acclaimed translation conveys all of Sophocles s lucidity and power the cut and thrust of his dialogue his ironic edge the surge and majesty of his choruses and above all the agonies and triumphs of his characters This Penguin Classics edition features an introduction and notes by the renowned classicist Bernard Knox For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Antigone** Sophocles, BookCaps Study Guides Staff, 2012-05-03 Sophocles was the Aaron Spelling of ancient Greek world his plays had all the makings of a modern soap But archaic translations of his ancient work make it almost impossible to see any of the Melrose Place like plots BookCaps can help readers who have struggled in the past with Sophocles classic plays with this modern retelling Antigone is a tragedy by Sophocles written in or before 442 BC Chronologically it is the third of the three Theban plays but was written first The play expands on the Theban legend that predated it and picks up where Aeschylus Seven Against Thebes ends The original text is also presented in the book along with a comparable version of both text We all need refreshers every now and then Whether you are a student trying to cram for that big final or someone just trying to understand a book more BookCaps can help We are a small but growing company and are adding titles every month **Antigone Adapted Robert** Cardullo, 2011 This anthology focuses on a literary figure Sophocles Antigone who seems to have taken on a life independent

of the play in which she was first featured Antigone 441 B C She has since appeared in numerous other plays operas and films even in comic books and songs especially in the twentieth century in the drama alone we see her in works from Brecht and Hasenclever to Cocteau and Anouilh to Fugard and Heaney Indeed few narratives have been adapted for the stage as often as the legend of Antigone each generation reinvents the myth to fit its own circumstances In each reappearance she bears the marks of the time that re produced her and these manifestations of her character mutually modify each other That is while the character brings a known body of information to the new artistic situation its place in that new context may well alter our understanding of the earlier appearances of Antigone as well All the variations on the Antigone theme attest each in its own way to the immense vitality that has continued to inhabit this complex dramatic character over the centuries At the center of Sophocles original play is a struggle to reconcile personal beliefs with the needs or dictates of society At no time is such a struggle more relevant than in periods of war so it is not surprising that new adaptations of Antigone cluster around periods of armed conflict whether between nations or within a single nation itself for example Argentina in the seven year grip of its Dirty War on its own people in Griselda Gambaro's Antigonia Furiosa 1986 and the Republic of Congo as it is torn by AIDS political corruption internecine hostility and military oppression in Sylvain Bemba s Black Wedding Candles for Blessed Antigone 1988 In Antigone Adapted the nations or territories in question are ones not typically featured in Western anthologies of drama Puerto Rico in the troubled possession of the United States in Luis Rafael S nchez s The Passion of Ant gona Perez 1968 and Slovenia under the iron yoke of both Tito and the Soviet Union in Dominik Smole's Antigona 1959 These translations of Smole's play and Sanchez's have never before appeared in English in the West and the Sophocles translation is also a new one This book makes these plays available for the first time Though these twentieth century adaptations of Antigone differ widely in style and theme they all have their ultimate source in Sophocles play The text of the original is thus like a prism turn it this way or that and different colors shine through in each instance The ancient war between Argo and Thebes has developed an archetypal quality in this age of international conflict an age in which our everyday lives are frequently disrupted by events on the global political stage as well as the local domestic one TABLE OF CONTENTS I Introduction The Portable Antigone II Luis Rafael S nchez Life and Work III The Passion of Ant gona P rez 1968 by Luis Rafael S nchez IV Dominik Smole Life and Work V Antigona 1959 by Dominik Smole VI Antigone 441 B C by Sophocles VII Bibliography English Language Translations of Sophocles Antigone VIII Production History of Sophocles Antigone and Its Adaptations IX Bibliography Adaptation and Greek Tragedy Re-embodying and Rethinking Greek and Roman Drama **in Modern Times**, 2025-01-20 Rooted in a range of approaches to the reception of classical drama the chapters in this book reflect in one way or another that Greek and Roman drama in performance is an ongoing dialogue between the culture s of the original and the target culture of its translation adaptation performance. The individual case studies highlight the various ways in which the tradition of Greek and Roman plays in performance has been extremely productive but also the ways in

which it has engaged at times dangerously in political and social discourse The Antigone of Sophocles and the **Modern Theatre** Robert Willoughby Corrigan, 1952 **Antigone** Sophocles, 2014-12-23 When Creon refuses to bury the body of Antigone's unruly brother Antigone's anger quickly turns to defiance Creon condemns her to a torturous death she's to be buried alive Acclaimed playwright Roy Williams takes Sophocles play and by placing it into a contemporary setting brings this classic tale vividly to life A timeless story about loyalty and truth about how we make meaning out of life and death and what in the end really does matter Roy Williams's adaptation of Antigone received its world premiere on 19 September at Derby Theatre in a co production between Pilot Theatre Derby Theatre and Theatre Royal Stratford East before The Three Theban Plays Sophocles, 2021-09-15 Sophocles along with Aeschylus and Euripides is going on a national tour considered one of three important ancient Greek tragedians Writing during the 5th century BC Sophocles created some one hundred and twenty three plays during his lifetime of which only seven have survived in their entirety In this edition are included the three Theban plays which are widely considered his most important works This collection of dramas includes Antigone the story of its title character a strong heroine whose complete commitment to familial duty brings her to challenge the will of her king Oedipus the King the legend of Oedipus who is exiled as an infant by his royal father because of a prophesy of patricide and incest and Oedipus at Colonus a drama which finds Oedipus at the end of his life caught between the warring kings of Athens and Thebes who each desire that Oedipus s final resting place be in their respective lands These tragedies are some of the finest examples from classical antiquity and their influence on the development of modern drama cannot be overstated This edition is printed on premium acid free paper follows the translations of Francis Storr and includes introductions by R C Jebb Antigone on the Contemporary World Stage Erin B. Mee, Helene P. Foley, 2011-06-16 Sophocles Antigone has been staged all over the world and many of these productions have reconceived and remade the play to address local issues and concerns This collection of essays explores the play s reception in numerous countries as diverse as The Congo and Australia Argentina and Japan Western Reserve Studies ,1915 Host Bibliographic Record for Boundwith Item Barcode 30112114124123, 1916 <u>John Crowne</u> Arthur Franklin White,1922 **Western Reserve University** Bulletin, 1922 Beginning 19 each bulletin contains details of curricula course description college rules etc for one of the schools or colleges at Western Reserve University **Antigone** Sophocles, Owen McCafferty, 2008 The ancient story by Sophocles retold in a modern way by leading Irish playwright Owen McCafferty Ottemiller's Index to Plays in Collections Denise L. Montgomery, 2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottemiller's Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of

authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide Kierkegaard and the Greek World: Aristotle and other Greek authors Jon Bartley Stewart, Katalin Nun, 2010 Tome II features articles dedicated to the Kierkegaard's Greek sources aside from Socrates beginning with a section containing several articles on different aspects of Aristotle's writings that influenced his thought This is followed by another section featuring analyses of other Greek philosophers and philosophical schools which were important for him Finally a third section explores Kierkegaard's uses of a handful of Greek poets dramatists and historians Greek Tragedy and the Modern World Leo Aylen, 2025-02-03 First published in 1964 Greek Tragedy and the Modern World begins with the question what is Tragedy Most discussion assumes some essence of Tragedy in certain plays at certain periods and discussion today centres on whether it is possible or desirable for contemporary plays to attend to this essence There is considerable agreement about what this essence of Tragedy is But when we examine closely the works of Aeschylus Sophocles and Euripides we find that none of the important aspects of this essence of Tragedy applied to them Greek tragedies are not Tragedy Yet if we read or perform them we do discover a special attitude to life which they present By examining each of the works of the three Greek masters in turn the author has tried to define what this attitude to life consists of He then turns his attention to dramatists who have attempted with varying degrees of success to present aspects of this attitude in contemporary terms Buchner Ibsen Strindberg Miller Cocteau Gide Giraudoux Anouilh Sartre Gh on and Eliot He pays particular attention to such key concepts as myth and discusses the various forms of poetic language used by these writers The author assumes that one cannot criticise literature still less drama except in terms of a complete view of life and goes on to examine the claims of different philosophical systems and methods to provide this He believes that such a view is both possible and desirable in our time and indeed a necessary prerequisite for the emergence of modern tragedy This is a must read for scholars and researchers of Greek literature theatre studies and literature in general The Drama .1923 The Oxford Handbook of Modern Irish Theatre Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design

acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right

#### **Antigone Sophocles Modern Plays Introduction**

In todays digital age, the availability of Antigone Sophocles Modern Plays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Antigone Sophocles Modern Plays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Antigone Sophocles Modern Plays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Antigone Sophocles Modern Plays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Antigone Sophocles Modern Plays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Antigone Sophocles Modern Plays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Antigone Sophocles Modern Plays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Antigone Sophocles Modern Plays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Antigone Sophocles Modern Plays books and manuals for download and embark on your journey of knowledge?
