STUDY GUIDE with answers

Prologue:

Vocabulary

eddy – current

heed – pay attention to

hence – away

orb – sphere or planet

piety – holiness or devotion

pinion – feather

stay – stop

unsepulchred – not buried

wrought – produced

1. What new suffering must Antigone and Ismene endure?

Creon has ordered that their brother, Polynices, is not to be given a proper burial.

2. Contrast Ismene and Antigone in terms of their character traits.

Antigone is determined, willful, ready to face death. She does what she believes is right to protect her honor. Ismene is passive, obedient, and feels she is powerless against the state.

3. What does Antigone plan to do? Why? What consequences will she face?

She will bury her brother because it is the will of the gods that a family gives its members a proper burial. She will face the punishment of death for disobeying Creon's order.

4. What background information does the chorus provide as they express gratitude for the peace in Thebes?

Polynices formed an army and attacked Thebes. His brother Eteocles stayed loyal to Creon

and fought against Polynices. In the battle, the brothers "against each other...laid lances at aim" and both died. (Pg. 7)

The Length of the Prologue of Aeschylus's Choephoroi Andrew Lyon Brown, 2015-05-01 A sequence of 12 pages was torn at an early date from the one medieval manuscript known as M on which our knowledge of Aeschylus s Choephoroi Libation Bearers depends This sequence contained the end of the previous play Agamemnon which is preserved in three later manuscripts and the beginning of the Prologue of Choephoroi The current study seeks to determine as accurately as possible the number of missing lines taking into account the length of the pages in a particular quire of M and the space that would have been occupied by the last part of Agamemnon and by any material occurring between the texts of the two plays From all this it is calculated that the number of lines of Choephoroi missing from M was probably in the range 36 to 53 and very probably in the range 32 to 55 Even the lowest of these figures is higher than previous estimates The study concludes by considering what the missing portion could have contained Some fragments are quoted by other authors and these may have been clustered at the beginning of the Prologue but it is possible to imagine plenty of material that could have occupied the gap between the last of these fragments and the first surviving line in M

Rutherford Hume, 2009 This volume is arguably one of the most important studies of Euripides to appear in the last decade Not only does it offer incisive examinations of many of Euripides extant plays and their influence it also includes seminal examinations of a number of Euripides fragmentary plays This approach represents a novel and exciting development in Euripidean studies since it is only very recently that the fragmentary plays have begun to appear in reliable and readily accessible editions The book's thirty two contributors constitute an international who's who of Euripidean studies and Athenian drama and their contributions will certainly feature in the forefront of scholarly discourse on Euripides and Greek drama for years to come

The Classical Weekly, 1918 **The Living Drama** Nellie Burget Miller, 1924 This study will endeavor to present in simple and concise form a survey of this continuous dramatic movement from its earliest recorded expression to contemporary moments under a single cover Since to know thoroughly the dramatic output of any one period might command the industry of a lifetime the task is a colossal one and precludes any pretense at completeness the treatment is suggestive rather than informative and should be supplemented by a study of the plays indicated under each section After all the important thing is not the painful piling of fact upon fact but gaining an intelligent working knowledge of the whole and knowing exactly where to turn for detail when it is needed The information has been gathered from many works upon the various phases to which the writer is deeply indebted all of which are indicated in the bibliographies We purpose then to take a sort of Cook's Tour over the whole domain of the drama touching the main points of interest and leaving the reader to return and explore at leisure
