mystique of the eccentric nanny with a camera to tell the true Maier story An extraordinary work Library Journal Who was Vivian Maier Many know her as the reclusive Chicago nanny who wandered the city for decades constantly snapping photographs which were unseen until they were discovered in a seemingly abandoned storage locker They revealed her to be an inadvertent master of twentieth century American street photography Not long after the news broke that Maier had recently died and had no surviving relatives Soon the whole world knew about her preternatural work shooting her to stardom almost overnight But as Pamela Bannos reveals in this meticulous biography this story of the nanny savant has blinded us to Maier s true achievements as well as her intentions Most important Bannos argues Maier was not a nanny who moonlighted as a photographer she was a photographer who supported herself as a nanny In Vivian Maier A Photographer s Life and Afterlife Bannos contrasts Maier s life with the mythology that strangers mostly the men who ve profited from her work have created around her absence She shows that Maier was extremely conscientious about how her work was developed printed and cropped even though she also made a clear choice never to display it She places Maier s fierce passion for privacy alongside the recent spread of her work around the world and explains Maier s careful adjustments of photographic technique while explaining how the photographs have been misconstrued or misidentified Bannos also uncovers new information about Maier s immediate family including her difficult brother Karl relatives once thought not to exist This authoritative biography shows that the real story of Vivian Maier a true visionary artist is even more compelling than the myth An excellent book that reads like a mystery novel Wonderful and engrossing Elizabeth Currid Halkett author of Starstruck The Business of Celebrity It s a portrait as direct as any of Maier s and what a distinct pleasure it is to meet her gaze again The New York Times This book is by far the finest yet published on the artist I believe it will become a classic in the field Art in America *Garage Sale and Flea Market Annual* Bob Huxford, Sharon Huxford, 1998-04 Packed with descriptions and current values for nearly 25 000 collectibles representing virtually every collectible category on today s market old books sports cards ornaments toys 50s glassware just to name a few this guide also provides expert advice on recognizing great buys reselling items or holding a successful sales *The Official Price Guide to Country Antiques and Collectibles* ,1999 **Publishers' Trade List Annual, 1980** Bobbs-Merrill Educational Co,1980
