Hubbard,2008-11-01 Bound For Africa is the story of one man s introduction to Africa at a time when much of the continent
was in the grips of Cold War skirmishing between the free world and opposing communist forces of China and the Soviet
Union The author frayed from three years of service in the Vietnam War traveled to Africa intending to become a rural
policeman in a quiet area of what was then Rhodesia The counterinsurgency war flared soon after a conflict which bore many
of the same characteristics of the country he had just left Asked to train new police recruits Hubbard explains his
assimilation into the force and Rhodesian society and tells of the challenges and satisfaction of leading and training young
Africans while providing an insider s view of how the war was fought in the early days Bound For Africa is a very personal
story that recounts the frustrations living in the shadows of a political settlement which always seemed to be just beyond
reach and the attitudes and spirit of the broad racial mixture which formed the national security forces It will appeal to
readers with an interest in the history of what is today Zimbabwe a less known chapter of a tragically unsuccessful war

deepest Africa **Border Jumping and Migration Control in Southern Africa** Francis Musoni,2020-04-07 With the end
of apartheid rule in South Africa and the ongoing economic crisis in Zimbabwe the border between these Southern African
countries has become one of the busiest inland ports of entry in the world As border crossers wait for clearance crime
violence and illegal entries have become rampant Francis Musoni observes that border jumping has become a way of life for
many of those who live on both sides of the Limpopo River and he explores the reasons for this including searches for better
paying jobs and access to food and clothing at affordable prices Musoni sets these actions into a framework of illegality He
considers how countries have failed to secure their borders why passports are denied to travelers and how border jumping
has become a phenomenon with a long history especially in Africa Musoni emphasizes cross border travelers active
participation in the making of this history and how clandestine mobility has presented opportunity and creative possibilities

The Illustrated sporting & dramatic news ,1875 *Migrant Labour in South Africa's Mining Economy* Alan H. Jeeves,1985-06-01 In tracing the development of the recruiting system Alan Jeeves shows how a large proportion of the labour supply came to be controlled by private labour companies and recruiting agents who aimed both to exploit the workers and to extract heavy fees from the employing companies The gold industry struggled for years against the internal divisions which created the competition for labour until at last the Chamber of Mines with the support of the state succeeded in driving out the private recruiters and centralizing the system under its control This study of the interests involved in the struggle for control of the black labour supply reveals much about the forces which created and now entrench racial domination in South African's industrial economy **Guide to Rhodesia** ,1914 **Official Report of the ...
