Tears in My Heart James Collins, 2007-03 For a number of years I have collected stories. My criteria for saving a story was always what I thought of as *Tears In My Heart*, and I must admit most of those resulted in tears on my cheeks. This is a selection of some of those stories. Ones I would like to share with others. Some stories are true, and others are illustrations, but all have been used by God to touch my heart when I needed Him most. Always to remind me of His Great Love, and to remind me to thank Him and praise Him for the blessings of the family and friends that He has sent me to encourage me and give me hope and faith in Him, and HOPE in the future. It is my prayer that perhaps through these stories the Spirit of God will put *Tears in Your Heart* also, and remind you of God's great LOVE for you, and your HOPE for the future.

Follow Your Heart Joe Evans, Christopher Brooks, 2010-01-05 Detailing the fascinating career of Joe Evans, *Follow Your Heart* chronicles the nearly thirty years that he spent immersed in one of the most exciting times in African American music history. An alto saxophonist who between 1939 and 1965 performed with some of America's greatest musicians including Louis Armstrong, Cab Calloway, Charlie Parker, Jay McShann, Andy Kirk, Billie Holiday, Bill Bojangles Robinson, Lionel Hampton, and Ivory Joe Hunter, Evans warmly recounts his wide range of experience in the music industry. Readers follow Evans from Pensacola, Florida, where he first learned to play, to such exotic destinations as Tel Aviv and Paris, which he visited while on tour with Lionel Hampton. Evans also comments on popular New York City venues used for shaping and producing black music, such as the Apollo Theater, the Savoy, Minton's Playhouse, and the Rhythm Club. Revealing Evans as a master storyteller, *Follow Your Heart* describes his stints as a music executive, entrepreneur, and musician. Evans provides rich descriptions of jazz, swing, and rhythm and blues culture by highlighting his experiences promoting tracks to radio deejays under Ray Charles's Tangerine label and later writing, arranging, and producing hits for the Manhattans and the Pretenders. Leading numerous musical ventures that included a publishing company and several labels, Cee Jay Records, with Jack Rags Revival and Carnival Records, Evans remained active in the music industry even after he stopped performing regularly. As one of the few who enjoyed success as both performer and entrepreneur, he offers invaluable insight into race relations within the industry, the development of African American music, and society from the 1920s to the 1970s, and the music scene of the era.

The Compassionate Teacher: Why compassion should be at the heart of our schools Andy Sammons, 2019-03-11 Ask any teacher why they went into teaching and they'll invariably refer to students or their subject Yet modern educators are faced with a dilemma the industry judges us primarily on outcomes offering the justification that grades improve life chances Grades improve life chances as much as money buys happiness it's no more than a prop or a poor substitute Unless the profession starts to get to the heart of its reason for being we might as well all pack up and go home Education has a problem with its why and unless it starts to encourage and insist its stakeholders start to improve their understanding of why compassion and relationships should be at the heart of everything we do the same familiar cyclical mistakes will continue to be made and all of those lovely things that we say we do in modern education such as improving life chances creating citizens of the future and shaping young minds will be no more than an accidental and indirect by product of time spent in our educational establishments
