Christ in the Commandments Luke Gilkerson, 2014-09-08 Christ in the Commandments is a 30-lesson family devotional that helps your children understand the heart of the Ten Commandments. Focusing on Exodus 20:1-21, it teaches kids two vital ways of approaching the commandments: both as a mirror that reflects our own sinfulness and as a window to see the person and character of Christ. Each lesson contains: An opening thought to prepare your kids for the lesson; A Scripture reading; An explanation of that passage in simple terms; Discussion questions; A prayer; What Others are Saying; I absolutely love how engaging it is for the whole family. It keeps the attention of a six- and three-year-old so I can only imagine how great it would be with older kids. Sherry at This House of Joy: All I can say is WOW! We take turns reading the passages, the study guide, and looking at each other in amazement as Addie answers questions in ways that we would never have imagined. Suzette at The Joy of Homemaking: This is such a wonderful way to help plant a desire for worship of the Lord in the hearts of our children. If you've had questions about how to effectively teach the importance of the Ten Commandments to your family without de-emphasizing God's new covenant of grace, this study might be just what you are seeking.
