AP Environmental Science Crash Course Gayle Evans, 2011-10-01 REA's AP Environmental Science Crash Course is the first book of its kind for the last minute student or any AP student who wants a quick refresher on the course. Written by an AP Environmental Science teacher, the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Environmental Science exam. The easy-to-read review chapters in outline format cover everything AP students need to know for the exam: human population dynamics, managing public lands, energy conservation, changes in Earth's climate, species extinction, loss of biodiversity, and more. The author also includes must-know key terms all AP students should know before test day. With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author provides key strategies for answering the multiple choice questions so students can build their point scores and get a 5.

LSAT Logic Games Workout Princeton Review (Firm), 2009. Most students have the hardest time with the difficult Logic Games section of the LSAT. 14000 + Objective Questions - General Studies Manohar Pandey, 2018-04-20. Arihant has come up with a revised edition of a compendium of over 14000 questions which will significantly improve the knowledge of aspiring students by providing them with ready and reliable practice material for General Studies. The book has been designed for the aspirants preparing for IAS, CSAT, State PCS, CDS, NDA, and other competitive examinations. The revised edition of this question bank focuses on Indian History, Culture, India, World Geography, Env, Eco, Indian Polity, Indian Economy, General Science, Science, Technology, General Knowledge, and Current Affairs. The book contains the collection of over 14000 questions covering General Studies. The History section covers ancient, medieval, and modern history, whereas the Geography section covers world geography, Indian geography, and environment ecology. The General Science section covers Physics, Chemistry, Biology, and Science Technology. The questions covered in the book contain answers side by side to help aspirants evaluate themselves after attempting a certain number of questions. Also, the questions asked in recent years' General Studies examinations have been provided in the book with authentic and detailed solutions to help aspirants get an insight into the recent examination pattern and the types of questions asked therein. Each chapter in the book contains a variety of questions according to the latest pattern: Assertion Reason, Matching, Multi-Statements, Arrangements, Pairing, etc. Also, more than 500 questions based on Current Affairs have been provided in the book to give an additional advantage to the aspirants. As the book contains ample number of objective questions which have been designed for students of various competitive examinations, it for sure will act as the best preparation material for general studies for UPSC, CSAT, State PCS, CDS, NDA, etc.
