, 2021-11-15 This volume explores the interface between morphosyntax and semantics pragmatics in the domain of referential and quantificational nominal expressions We present case studies from Romance and Germanic languages dealing with both

synchronic and diachronic aspects Our aim is to empirically test on the basis of comparative data the most recent theoretical developments in the analysis of reference and quantification and to identify focal points for future research The Great Movie Shorts Leonard Maltin,1972 **The Palgrave Handbook of the Philosophy of Film and Motion Pictures** Noël Carroll,Laura T. Di Summa,Shawn Loht,2019-10-30 This handbook brings together essays in the philosophy of film and motion pictures from authorities across the spectrum It boasts contributions from philosophers and film theorists alike with many essays employing pluralist approaches to this interdisciplinary subject Core areas treated include film ontology film structure psychology authorship narrative and viewer emotion Emerging areas of interest including virtual reality video games and nonfictional and autobiographical film also have dedicated chapters Other areas of focus include the film medium s intersection with contemporary social issues film s kinship to other art forms and the influence of historically seminal schools of thought in the philosophy of film Of emphasis in many of the essays is the relationship and overlap of analytic and continental perspectives in this subject Cult Film as a Guide to Life I.Q. Hunter,2016-09-08 Cult Film as a Guide to Life investigates the world and experience of cult films from well loved classics to the worst movies ever made Including comprehensive studies of cult phenomena such as trash films exploitation versions cult adaptations and case studies of movies as different as Showgirls Room 237 and The Lord of the G Strings this lively provocative and original book shows why cult films may just be the perfect guide to making sense of the contemporary world Using his expertise in two fields I Q Hunter also explores the important overlap between cult film and adaptation studies He argues that adaptation studies could learn a great deal from cult and fan studies about the importance of audiences emotional investment not only in texts but also in the relationships between them and how such bonds of caring are structured over time The book s emergent theme is cult film as lived experience With reference mostly to American cinema Hunter explores how cultists with their powerful emotional investment in films care for them over time and across numerous intertexts in relationships of memory nostalgia and anticipation **Better Eyesight Magazine - Original Antique Pages By Ophthalmologist William H.
