Brandeis,1972-06-30 The letters in this volume record an important transition in Brandeis s life In July 1907 when the letters begin Louis D Brandeis was merely an unusually successful local reformer His earlier victories against the Boston Elevated and the Boston Consolidated Gas Company even his stunning success in the achievement of the Savings Bank Life Insurance law in Massachusetts all centered exclusively upon Boston or Massachusetts problems But by December 1912 when this book ends Brandeis was one of the best known social activists in the United States He received regular national attention in popular periodicals and advised the newly elected President of the United States As these letters show Brandeis always kept one eye on Massachusetts affairs supervising the inauguration of the insurance reform continuing to oppose long term franchises for the subway and advising Massachusetts governors on proposed bills and prospective appointments But he devoted the major part of his energy in this five and a half year period to a series of crusades of crucial national importance He attacked the attempt of Mellen and Morgan to gain a monopoly hold over new England transportation as he strenuously and doggedly opposed the merger of the Boston he joined the crusade for efficiency and scientific management and he directed repeated blows against the huge concentrations of economic power within the national economy It should not be surprising that Brandeis and Robert M LaFollette were drawn together and these letters will show both the extent of that relationship and the way in which Brandeis s influence spread to other progressives in Congress Other matters his earliest Zionist activities his achievement in defending progressive state legislation before the Supreme Court his interest in Alaskan development along conservationist lines his plan for the regularity of employment his role in the Presidential campaign of 1912 are all part of his work during these turbulent years and are all touched upon in greater or lesser detail in these letters *National Live Stock Producer* ,1927 *Pre-Algebra, Vol. III: Lessons 91 - 135* Quantum Scientific Publishing,2023-06-11 Quantum Scientific Publishing QSP is committed to providing publisher quality low cost Science Technology Engineering and Math STEM content to teachers students and parents around the world This book is the third of
