Pelkey, Anthony Bushard, 2015 In this collection contributors employ diverse critical methods and perspectives to explore the role of music in American film and television of the 1950s and 1960s as well as in films from more recent years that allude to reflect back upon or recreate those decades Particular attention is given to uncovering how motion picture culture and its music treated anxieties about suburbanization conformity the family and gender Provided by publisher Music, Encounter, Togetherness Nicholas Cook, 2024-04-23 In today's technological and globalised world music remains a basic dimension of society Music Encounter Togetherness outlines a relational approach to music that creates space for both human agency and social relationship Throughout the book author Nicholas Cook puts Euro American musical traditions into dialogue with other world music cultures complementing theory driven approaches with comprehensive case

studies ranging from late eighteenth century India to contemporary China and from Debussy's encounter with Javanese music and dance to cross cultural musicking in Australia and in cyberspace Through these examples Cook examines how music affords interpersonal relationship and social togetherness and what happens when musicians from different cultures interact Central to the book is the idea of encounter which highlights the dynamic and processual nature of musicking as much in therapy or at home as in the jazz club or concert hall Western musicologists have traditionally thought of music as primarily a repertory of objects Cook illustrates how thinking of it in processual terms through an expanded idea of performance can make as much sense of Western art music as of other traditions In basing an understanding of music on acts rather than objects and focussing on people and their relationships rather than on the impersonal forces of evolutionary or stylistic histories the book opens up ways of thinking that counter some of the dehumanising aspects of musical thinking and practice in global modernity *Etude Music Magazine* Theodore Presser,1920 Includes music [The New York Times Book Review Index, 1896-1970: Subject index](#) ,1973 **British and International Music Yearbook** Louise Sherratt,2006 The directory of the classical music industry **Standard Catalog for High School Libraries** Zaidee Mabel Brown,Isabel Stevenson Monro,Ruth Reisig Jervis,1928 **Standard Catalog for Public Libraries** H.W.
