## 1988 Chevy Caprice Engine:

Ultimate American V-8 Engine Data Book, 2nd Edition Peter C. Sessler, **Chevy Big-Block Engine Parts**

**Interchange** John Baechtel, 2014-04-10 The venerable Chevy big block engines have proven themselves for more than half a century as the power plant of choice for incredible performance on the street and strip. They were innovators and dominators of the muscle car wars of the 1960s and featured a versatile design architecture that made them perfect for both cars and trucks alike. Throughout their impressive production run, the Chevy big block engines underwent many generations of updates and improvements. Understanding which parts are compatible and work best for your specific project is fundamental to a successful and satisfying Chevy big block engine build. In *Chevy Big Block Engine Parts Interchange*, hundreds of factory part numbers, RPOs, and detailed color photos covering all generations of the Chevy big block engine are included. Every component is detailed from crankshafts and rods to cylinder heads and intakes. You'll learn what works, what doesn't, and how to swap components among different engine displacements and generations. This handy and informative reference manual lets you create entirely unique Chevy big block engines with strokes, bores, and power outputs never seen in factory configurations. Also included is real-world expert guidance on aftermarket performance parts and even turnkey crate motors. It's a comprehensive guide for your period-correct restoration or performance build. John Baechtel brings his accumulated knowledge and experience of more than 34 years of high-performance engine and vehicle testing to this book. He details Chevy big block engines and their various components like never before, with definitive answers to tough interchange questions and clear instructions for tracking down rare parts. You will constantly reference the *Chevy Big Block Parts Interchange* on excursions to scrap yards and swap meets and certainly while building your own Chevy big block engine.

*Damaged Goods* Stephen Solomita, 2013-01-22 DIVA, psychotic killer released from jail, begins a spree that only Moodrow can stop. Even Jilly Sappone knows they should never have let him out. Ever since a bullet fragment embedded itself in his brain, he has been prone to uncontrollable rages. Opiates help dull his anger, but only blood can make it go away. When the parole board makes the mistake of freeing him, Jilly knows it's only a matter of time before he goes back behind bars. Until then, he plans on having some fun. DIVA starts by visiting his ex-wife and leaving with his four-year-old daughter. The police have no hope of getting the girl back alive, so the mother turns to Stanley Moodrow, an ex-cop turned private investigator whose bulky frame conceals a fury that can nearly match the kidnapper's. With the help of his new partner Ginny Gadd, Moodrow will do what no prison ever could break Jilly Sappone.
