

A New Dimension Of The Dodge Legend.

Return with us now to the days when cars were automobiles and the name Dodge represented the finest driving sedans on the road. Sedans with performance to spare, style that reflected the latest innovation and ingenuity to accommodate your pleasure. That time is here again.

This is Dynasty for 1990. The latest reflection of the long and proud Dodge heritage. An automobile with classic yet contemporary lines. Modern, smooth styling, yet a fresh, crisp appearance. A look that gives it an elegant profile whether it is on the road or at rest in your driveway.

Here are the look and the feel of luxury sedans costing considerably more, but with an abundance of standard features. Every feature, from Dynasty's aerodynamic headlights and luxury wheel covers to its spacious carpeted 60-litre load trunk, tells you that every inch of this Dodge

is an automobile of serious character.

This is a fully spacious six-passenger sedan designed for adults who demand mature comfort and luxury while traveling. The Dynasty features a plush bench seat complete

with a fold-down center console. Controls and instrumentation have been thoughtfully positioned about the driver. The available power windows and door locks are conveniently located right on the door armrest. A spacious three-passenger rear seat and amenities such as adjustable reading lights enhance the convenience of the rear lounge.

Dynasty is obviously an automobile of distinction. With full windshield and taillight, cornering lights, dual remote outside mirrors, and painted upper body and deck lid strips. Even its aerodynamic doors are as much a part of form as they are of function. They wrap over the roof to seal it snug and set while improving aerodynamics. Tinted glass all around and a standard rear window defroster and intermittent windshield wipers help to improve visibility

Beneath Dynasty's refined good looks is a network of

performance sophistication to rival that of any world-class touring sedan. Here's real-world performance in a standard fuel-injected 2.5-liter engine, automatic transmission, and responsive front-drive. It's a combination that provides the torque, passing power, and responsive handling for that extra margin of safety during merging and passing situations. And with standard rack and pinion steering, an available four-wheel anti-lock disc brake system that automatically helps prevent brake-lock and skids during emergency stops on wet and slippery surfaces, and specially designed and "tuned" radial dual-striped white sidewall tires, Dynasty outlines total balanced performance. To increase your performance, you can choose the available multiport fuel-injected 3.0-liter V-6 engine.*

Dynasty II is shown above and at left in Bright White. *See dealer for more info.
