**A Gospel Pageant** Allan Leslie Chapple, 2015-10-01 Revelation is a strange and puzzling book Apart from the few who are endlessly fascinated by it most of us are unsure what to do with it And since it seems so different from the rest of the New Testament perhaps the safest policy is to ignore it But what if that meant losing something really important What if Revelation turned out to be a powerful and gripping presentation of the same momentous news we find throughout the New Testament If so bypassing it will mean that our devotion and discipleship will fail to be as deep and robust as they should be A gospel pageant If that is what Revelation brings us perhaps it is time to read it again

Brian Price,2017-12-14 Since we first arrived on the planet we ve been telling each other stories whether of that morning s great saber tooth tiger hunt or the latest installment of the Star Wars saga And throughout our history despite differences of geography or culture we ve been telling those stories in essentially the same way Why Because there is a RIGHT way to tell a story one built into our very DNA In his seminal work Poetics Aristotle identified the patterns and recurring elements that existed in the successful dramas of his time as he explored precisely why we tell stories what makes a good one and how to best tell them In Classical Storytelling and Contemporary Screenwriting Brian Price examines Aristotle s conclusions in an entertaining and accessible way and then applies those guiding principles to the most modern of storytelling mediums going from idea to story to structure to outline to final pages and beyond covering every relevant screenwriting topic along the way The result is a fresh new approach to the craft of screenwriting one that s only been around a scant 2 500 years or so ideal for students and aspiring screenwriters who want a comprehensive step by step guide to writing a successful screenplay the way the pros do it      **Reports and Documents** United States.
