Confessions In A Crown Vic Peter Lagomarsino,2012-12-10 Confessions in a Crown Vic is the story of professional displacement during the Great Recession an Architect as Cab driver while seeking Architecture work It interviews Paolo Soleri the visionary Urban design architect and the traffic engineer Louis Lagomarsino for Phoenix s highways and the author s passengers marginalization for their lack of a car It s a journey through an Architect s life beginning with schooling

travels design internship and practices in many genres of clientele from private to public projects for the U S P S U S A F and the U S A C O E It takes us through different cities and urban configurations But most of all it takes us through history s cycles of political change the semantics of their origins the delivery of designs and the affects of expansion and colonialist attitudes in America It s a critique of Urban Sprawl and the irrationality of relying on housing starts to determine a healthy economy It examines Keynesian versus Classical economics comparing them with the events of the last American century He illuminates the American Dream s unsustainable promise to even its poorest citizens considering whether we can still re materialize that dream out of its current mythological existence Is this dream for everyone Can we grow a culture based on the automobile and a limited fossil fuel economy It challenges this dream s configuration while placing a heavy burden of responsibility for our economic demise on its mythical component the greed that drove it and the Sprawl that has burdened it

[www.confessionsofincrownvicbook.com](http://www.confessionsofincrownvicbook.com)      Last Run of the Whisperer Calvin J. Boal, 2011-06-03 Last Run of the Whisperer is a historical fiction novel based upon the Revolutionary War records of William Waterman of Norwich Connecticut colony The author has taken the information that William Waterman has provided to us through his own account of his service in the American Revolution when he petitioned the United States Congress in 1832 for a pension for said service The author has taken the information provided by William Waterman and completed extensive research on the battles and areas of service that our hero served in embellishing and expounded upon this information to develop an exciting and accurate historical story surrounding our hero William Waterman William Waterman himself in his petition to the United States Congress identifies one severe wound received in said service at the battle of White Plain in the colony of New York above New York City This wound by itself could have cost our hero his life That he survived this wound and the numerous other battles and action that he undoubtedly saw was extraordinary Although William Waterman lists a number of battles and theatres of war he saw service in he does not describe the details of these battles The author takes his literary liberty upon researching these battles and events to interject our hero into the battles That William Waterman is involved in each and every one of these battles or theatres of war in based upon William Waterman s own account Upon his completion of service in the Continental army William Waterman listed his next service as a privateer that is as a licensed pirate The author has taken the liberty to believe that William Waterman engaged as a privateer in the cause of the upstart Americans and preyed upon British shipping as he makes no mention of serving the British in his petition to the United States Congress and infact lists his service as a privateer in his petition for his pension indicating that all of his papers and records of his service in the Continental army were lost when the ship he was engaged on as a privateer was sunk leading to his subsequent imprisonment by the British on the prison ship Jersey Our hero William Waterman also does not identify the name of the ship on which he was engaged as a privateer Again the author takes his literary liberty to name the privateer ship and thus we have the Last Run of the Whisperer During the course of our adventure William Waterman loses his boyhood friend to the

cause of the American Revolution learns that his father is fighting against him on the side of the British loses his first love to another man while he is imprisoned and eventually finds the girl he is to marry while hiding from the British William Waterman finds peace and contentment spending his life after the war living in the Green Mountains of Vermont

**The Kurdish Spring** David L. Phillips, 2017-07-05 Kurds are the largest stateless people in the world An estimated thirty two million Kurds live in Kurdistan which includes parts of Turkey Iraq Syria and Iran today s hot spots in the Middle East The Kurdish Spring explores the subjugation of Kurds by Arab Ottoman and Persian powers for almost a century and explains why Kurds are now evolving from a victimized people to a coherent political community David L Phillips describes Kurdish rebellions and arbitrary divisions in the last century chronicling the nadir of Kurdish experience in the 1980s He discusses draconian measures implemented by Iraq including use of chemical weapons Turkey s restrictions on political and cultural rights denial of citizenship and punishment for expressing Kurdish identity in Syria and repressive rule in Iran Phillips forecasts the collapse and fragmentation of Iraq He argues that US strategic and security interests are advanced through cooperation with Kurds as a bulwark against ISIS and Islamic extremism This work will encourage the public to look critically at the post colonial period recognizing the injustice and impracticality of states that were created by Great Powers and offering a new perspective on sovereignty and statehood

*George Washington on Screen* Leigh Ehlers Telotte,2023-07-18 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George

Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington's character in relation to the plot

*The End of Absence* Michael John Harris, 2014-08-07 Soon enough nobody will remember life before the Internet What does this unavoidable fact mean Those of us who have lived both with and without the crowded connectivity of online life have a rare opportunity We can still recognize the difference between Before and After We catch ourselves idly reaching for our phones at the bus stop Or we notice how midconversation a fumbling friend dives into the perfect recall of Google In this eloquent and thought provoking book Michael Harris argues that amid all the changes we're experiencing the most interesting is the end of absence the loss of lack The daydreaming silences in our lives are filled the burning solitudes are extinguished There's no true free time when you carry a smartphone Today's rarest commodity is the chance to be alone with your thoughts Michael Harris is an award winning journalist and a contributing editor at *Western Living* and *Vancouvermagazines* He lives in Toronto Canada
