The Guide to National Professional Certification Programs Philip M. Harris, 2001. The job market continues to change. Highly skilled and specialized workers are in demand. Traditional education cannot meet all the needs to create specialty skill workers. Certification provides up to date training and development while promoting individual or professional skills and knowledge in a focused manner. Certification as a way of continuing professional education can also be more cost effective. **Guide to Educational Credit by Examination** Joan Schwartz, 1996.
