Soviet Life , 1984 *Extremism in America* George Michael, 2013-12-10 The American Republic was born in revolt against the British crown and ever since political extremism has had a long tradition in the United States To some observers the continued presence of extremist groups and the escalation of their activities portends the fragmentation of the country

while others believe such is the way American pluralism works The word extremism often carries negative connotations yet in 1964 Barry Goldwater famously said Extremism in the defense of liberty is no vice Extremism in America is a sweeping overview and assessment of the various brands of bigotry prejudice zealotry dogmatism and partisanship found in the United States including the extreme right the antiglobalization movement Black Nationalism Chicano separatism militant Islam Jewish extremism eco extremism the radical antiabortion movement and extremist terrorism Many of these forms of single minded intolerance are repressed by both the state and society at large but others receive significant support from their constituencies and enjoy a level of respectability in some quarters of the mainstream The essays in this volume written by area specialists examine the relationship between these movements and the larger society dissect the arguments of contemporary American anarchist activists look at recent trends in political extremism and suggest how and why such arguments resonate with a considerable number of people

President's Kill List Luca Trenta, 2024-05-31 From Fidel Castro to Qassem Soleimani the US government has been involved in an array of assassinations and assassination attempts against foreign leaders and officials The President's Kill List reveals how the US government has relied on a variety of methods from the use of poison to the delivery of sniper rifles and from employing hitmen to simply laying the groundwork for local actors to do the deed themselves It shows not only how policymakers decided on assassination but also the level of Presidential control over these decisions Tracing the history of the US government's approach to assassination the book analyses the evolution of assassination policies and for the first time reveals how successive administrations through private justifications and public legitimations ensured assassination remained an available tool

Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. American Sniper Ten Seconds Book 2 : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. American Sniper Ten Seconds Book 2 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. American Sniper Ten Seconds Book 2 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
