AN HONORABLE WOMAN Lindsay McKenna, 2012-11-15

Honor meant everything to Cam Anderson And as commanding officer on her latest mission she finally had a chance to prove herself But the moment she met Officer Gus Morales she knew she was in trouble For the men under Gus s command weren t used to taking orders from a woman And Cam wasn t used to the paralyzing attraction she felt for Gus The ruggedly handsome soldier made her feel things a commander shouldn t feel Made her want things no honorable woman should want Now Cam faced her greatest challenge yet Could she stand strong in the face of danger and still yield to the desires of her heart

The Honorable Woman E. S. Owoicho, 2021-10-22 The Honourable Woman is a edition set up in space by God to unravel the hidden cause behind every successful woman in human history Over time we have seen how many girls grow up to be nonentities which does not fit God s original plans for their lives In this series the matriarch s success formula will be deciphered unto you This is not some mediocre s edition as many would think It is Zion s Frontiers formula set up in space to encourage the girls ladies and women of these last days Allow me to relate the words of a great woman Mummy Words Citadel Family The very moment I placed this book on my fingertips I began to feel reactions of various kinds taking effect in my bloodstream I know well that I was not reading an ordinary book other than a compilation of mysteries Reading this book made me realize more than what I knew as a woman It channels the distinct and unrevealed knowledge that I have longed for throughout my time in this mortal realm As you go through this book you will come to discover that there is a lot to be said for everything you know One thing that I find outstanding about this book is that the writer communicated it on the platform of godliness teaching revealing and you know disclosing the unique nature of God to all the women the ladies and even the girl child out there You know what This edition is not just for the female gender alone but for everyone Men can read it too I love the part where he linked an honourable woman with a doctor whose job is to inoculate her children with the virtue of godliness and to act as a missionary who will help the end time revival movements to the ends of the earth With all due respect to the reader of the mysteries set up I have a desire to make a simple request tell others about this book God bless you

An Honest Woman Charlotte Shane, 2025-08-12 Through the lens of her years spent as a sex worker Charlotte Shane offers a rigorous and compulsively readable memoir New York magazine exploring what it means to be a heterosexual woman and a feminist in a misogynistic society A memoir of sex work that is also a poignant love story The Washington Post In her early twenties Charlotte Shane quit her women s studies graduate program to devote herself to sex work because it was a way to devote herself to men Her lifelong curiosity about male lust love selfishness and social capital dovetailed with her own insatiable desire for intimacy to sustain a long career in escorting with unexpectedly poignant results Shane uses her unsparing honesty The New York Times Book Review and her personal and professional history to examine how men and women struggle in their attempts at a romantic and sexual bonding no matter how true their intentions As she takes stock of

her relationships with clients with her father with friends with married men and later with her own husband she tells a candid and haunting tale of love marriage and in fidelity as seen through the eyes of the perpetual other woman Braiding the personal and the universal An Honest Woman is a merciless and moving love letter to men and an indictment of habitual dishonesty a condemnation of every social constraint acting on heterosexual unions and a hopeful affirmation of the possibility for true connection between men and women **Woman, You Are Highly Favoured by God** Esther S.

Ripiyee,2012-08-08 Religious belief has over the years had a great influence on the status and history of women especially in the ministry From the earliest days of the New Testament Church and up till present most Christians have misinterpreted the scriptures on the basis of 1 Timothy 2 11 12 which says Let a woman learn in silence with all submissiveness I permit no woman to teach or to have authority over men she is to keep silent This passage has been used by many churches to place certain restrictions on the ministry of women This has given rise to many debates in the church and restricted many women from fulfilling their leadership call It is therefore important to dispel the myths about the role of women and open our eyes to what the Bible really says concerning this This is not about having dominance but every Christian needs to flow in the Holy Spirit to enable their gifts and calling to bring the kingdom of God to earth This book contains the study of Seventy Two Women of the Bible It gives us the details of their lives roles character and influence It also shows how God used them in the past and still uses us as women to advance His kingdom on earth The knowledge of the scripture is imperative The book also shows how to build confidence in the word of God releasing ourselves for the Holy Spirit to flow through us so that the knowledge of the scriptures can operate in our purpose gifts talents and calling in Christ The authors writing is well documented based on revelation of the word her leadership role over the years and from her studies of the role of women in the bible that have span for over 3 decades The book brings honest and scriptural truth on crucial questions regarding to leadership and teaching role of women in the church It shows how Jesus related and affirms the role of women in the kingdom This book is highly recommended for all Christians who are passionate about the true teachings of the scriptures and the roles God expects men and women to play in unity for the advancement of the kingdom Moonflower, Medicine Woman Jerry D. Have you ever wondered what the American Continent was like before the Native Americans discovered that Columbus was lost A time before alcohol guns and other mechanized New World inventions The horse came onto the scene with the arrival of the Spanish Explorers in the Sixteenth Century Before the Natives were introduced to the horse all travel was by walking Though many Native tribes were highly sophisticated societies technology was still very primitive This story takes the reader to a time of scant historical traces left by a people who believed it was honorable to leave no footprints upon the Mother during ones lifetime The story itself is an obscure legend that has had reality interwoven with folklore so as to duplicate as closely as possibly the life and times of these people whose culture was wonderfully rich and colorful This story tells of how the ancient peoples upon the Continent lived before recorded history

What they ate What they believed in How they survived Their politics and social life My goal is to create a feeling in my readers of having traveled to this interesting and intriguing time and place To have met the characters in their own environment where they are dealing with their personal concerns and survival

Woman at Point Zero by Nawal el-Saadawi | Summary & Study Guide , Gender in Debate From the Early Middle Ages to the Renaissance T. Fenster,C. Lees,2016-04-30 Modern scholarship generally treats the debate about women querelle des femmes as a late medieval phenomenon perhaps touched upon by canonic authors like Chaucer but truly begun by Christine de Pizan 1364 1429 and therefore primarily of English and French origin That emphasis has obscured the ways in which both writers were participating in a much wider much older cultural phenomenon with varied and intractable roots Articles in this collection explore how gender is put into debate in Anglo Saxon German Spanish and Italian cultures and they re examine French and Middle English debate literature The collection is carefully planned to be accessible to students seeking an idea of the debate s motifs and contours while maintaining the high level of issue involvement necessary to commanding a more seasoned audience Contributors include Pamela Benson Alcuin Blamires Margaret Franklin Roberta Krueger Clare Lees and Gillian Overing Ann Matter Karen Pratt Helen Solterer Julian Weiss and Barbara Weissberger

Biblical Sex: Bible Truth About Sexual Ethics BiblicalSex.org,2023-07-26 Struggling with sexual shame and guilt Or with what scripture says about porn masturbation and lust Learn Bible truth from experts that will give your conscience the freedom God intended Are you tired of fighting a never ending battle for sexual purity Do you wonder how far is too far when it comes to sex Does true freedom from sexual sin even seem possible If you ve wondered about questions like these then Jesus is your answer He gives you his holiness and frees you from sexual moralism And he does that not by your own best efforts to maintain pure desires but rather simply through your belief in the truth of his Word Biblical Sex Bible Truth About Sexual Ethics is a Gospel centered look at the specific words language concepts principles and theology of the body found in scripture Written in an honest pragmatic style this book will challenge your assumptions about sex even transforming the way you think and understand your own freedoms in Christ The truth of Jesus is what will liberate you from religious moralism In Biblical Sex Bible Truth About Sexual Ethics you ll discover How the word lust in the Bible can be misleading Why the vague term sexual immorality is problematic Why most Christians condemn all types of porn and masturbation but God does not Why much of the problem with pornography is the way we think about it How shaming and unnecessary prohibition often lead to addiction like problems and much more Biblical Sex Bible Truth About Sexual Ethics is a great resource for porn or sex addiction recovery groups as well as for Christian premarital and marriage counseling You can live free from the bondage of moralistic purity and sexual shame Get your copy of Biblical Sex Bible Truth About Sexual Ethics today

Comedies William Shakespeare,1911 The Education of a Christian Woman Juan Luis Vives,2007-11-01 From meetings and conversation with men love affairs arise In the midst of pleasures banquets dances laughter and self indulgence Venus and her son Cupid

reign supreme Poor young girl if you emerge from these encounters a captive prey How much better it would have been to remain at home or to have broken a leg of the body rather than of the mind So wrote the sixteenth century Spanish humanist Juan Luis Vives in a famous work dedicated to Henry VIII s daughter Princess Mary but intended for a wider audience interested in the education of women Praised by Erasmus and Thomas More Vives advocated education for all women regardless of social class and ability From childhood through adolescence to marriage and widowhood this manual offers practical advice as well as philosophical meditation and was recognized soon after publication in 1524 as the most authoritative pronouncement on the universal education of women Arguing that women were intellectually equal if not superior to men Vives stressed intellectual companionship in marriage over procreation and moved beyond the private sphere to show how women s progress was essential for the good of society and state

Slavery in the Late Roman World, AD 275-425 Kyle Harper,2011-05-12 Capitalizing on the rich historical record of late antiquity and employing sophisticated methodologies from social and economic history this book reinterprets the end of Roman slavery Kyle Harper challenges traditional interpretations of a transition from antiquity to the Middle Ages arguing instead that a deep divide runs through late antiquity separating the Roman slave system from its early medieval successors In the process he covers the economic social and institutional dimensions of ancient slavery and presents the most comprehensive analytical treatment of a pre modern slave system now available By scouring the late antique record he has uncovered a wealth of new material providing fresh insights into the ancient slave system including slavery s role in agriculture and textile production its relation to sexual exploitation and the dynamics of social honor By demonstrating the vitality of slavery into the later Roman empire the author shows that Christianity triumphed amidst a genuine slave society

Angelic Wisdom Concerning the Opening of the First of the Seven Seals and the Constitution and Marriage Statutes of the Most Ancient Appagejans 650,000 Years Ago John Piter Anderson,1905

The Politics of Love Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self

identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society

The Silver Women Joan Flores-Villalobos,2023-01-31 The construction of the Panama Canal is typically viewed as a marvel of American ingenuity What is less visible and less understood is the project s dependence on the labor of Black migrant women The Silver Women shifts the focus of this monumental endeavor to the West Indian women who travelled to Panama inviting readers to place women s intimate lives choices grief and ambition at the center of the economic and geopolitical transformation created by the construction of the Panama Canal and U S imperial expansion Joan Flores Villalobos argues that Black West Indian women made the canal construction possible by providing the indispensable everyday labor of social reproduction West Indian women built a provisioning economy that fed housed and cared for the segregated Black West Indian labor force in effect subsidizing the construction effort and the racial calculus that separated pay in silver for Black workers and gold for white Americans But while also subject to racial discrimination and segregation West Indian women mostly worked outside the umbrella of U S canal authorities They did not hold contracts had little access to official services and wages and received pay in both silver and gold From this position they found ways to skirt and at times subvert the legal moral and economic parameters imperial authorities sought to impose on the migrant workforce West Indian women developed important strategies of claims making kinship community building and market adaptation that helped them navigate the contradictions and violence of U S empire In the meantime these strategies of social reproduction nurtured further West Indian migrations linking Panama to places like Harlem and Santiago de Cuba The Silver Women is thus a history of Black women s labor of social reproduction as integral to U S imperial infrastructure the global Caribbean diaspora and women s own survival

What God Said Mark Cox,2021-05-01 What God Said is a guiding work to those who are new to the body of Christ and those who are well established Each chapter delves into the stages and nuances of life that each Bible follower has the ability to mature in as they intentionally put into practice the principles God has set in place Every line is backed by a referenced scripture so that the reader may have the confidence to live a life declared by the word of God The end result of reading this guide is life transformed by the renewing of one s mind

Conflicting Visions of Reform Miriam Usher Chrisman,1996 Cultural and textual analysis of 300 German propaganda pamphlets reveals lay people responding to the Protestant Reformation They urge changes based on the perceptions and aspirations of their social class

supporting their proposals by personal interpretations of the Bible The Boxer and the Blacksmith Edie Cay,2021-02-01
Can London's lady champion fight for love As London's undefeated women's boxer Bess Abbott has the scars both inside and out to prove it But when one of her boxing students Violet needs protection Bess Abbott's rock hard heart cracks open And when a handsome blacksmith comes along giving her compliments and treating her well like a woman Bess doesn't know what to do She's on the ropes in the face of his affections Os Worley was a child when he became an accidental stow away He grew up not knowing the family or the island that inflected his accent His only memory of his mother is a head bent hands working a stitch a voice humming a melody Now that he has his own foundry and his own apprentice he's come to London to find the woman attached to this impression His heart is already tempered and quenched focused on his goal but a lady boxer threatens to recast his love in her own image As Os and Bess face off will they toe the line or retreat to their corners

Global Shakespeare and Social Injustice Chris Thurman,Sandra Young,2023-05-04 The chapters in this book constitute a timely response to an important moment for early modern cultural studies the academy has been called to attend to questions of social justice It requires a revision of the critical lexicon to be able to probe the relationship between Shakespeare studies and the intractable forms of social injustice that infuse cultural political and economic life This volume helps us to imagine what radical and transformative pedagogy theatre making and scholarship might look like The contributors both invoke and invert the paradigm of Global Shakespeare building on the vital contributions of this scholarly field over the past few decades but also suggesting ways in which it cannot quite accommodate the various global Shakespeares presented in these pages A focus on social justice and on the many forms of social injustice that demand our attention leads to a consideration of the North South constructions that have tended to shape Global Shakespeare conceptually in the same way the material histories of North and South have shaped global injustice as we recognise it today Such a focus invites us to consider the creative ways in which Shakespeare's imagination has been taken up by theatre makers and scholars alike and marshalled in pursuit of a more just world From War to Peace: Our Global Responsibility!
