covers mostly what I know and found out about my maternal grandfathers family That is because it is the largest segment of my entire family My father had no siblings whereas my mother had about ten or eleven siblings and all of them had children and grandchildren I discovered a great deal more accomplishments in life on my mothers side as opposed to my fathers side of the family I do not think the book is boring or particularly too long or too short The book is a description of the life of the people whom I discuss and how I might have fitted into those lives *Official Florida Statutes* Florida,2014 **Chase's Calendar of Events 2020** Editors of Chase's,2019-09-24 Find out what s going on any day of the year anywhere across the globe The world s date book since 1957 Chase s is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2020 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips 2020 a leap year is packed with special events and observances including National days and public holidays of every nation on EarthThe total solar eclipseThe 100th anniversary of US women s suffrage 19th Amendment passed The 75th anniversary of the end of WWII and the atomic bombings of Hiroshima and NagasakiThe 250th birth anniversary of Ludwig van BeethovenThe 100th birth anniversary of Ray BradburyThe 50th anniversary of the Beatles break upThe Tokyo Olympic GamesScores of new special days weeks and months such as International Go Kart Week National Goat Yoga Month or National Catch and Release DayBirthdays of new world leaders office holders and breakout starsAnd much more All from the reference book that Publishers Weekly calls one of the most impressive reference volumes in the world **Legislative and Executive Calendar** United States. More Memories and More Knowledge of My Family and Me James E. Daughtridge, 2020-01-06 My book is about everything that I know about my family both about my mother's and father's side of the family in addition to my interactions towards or with each of them I was inspired by a late great maternal uncle to pursue such a project First I re collected everything that I could about various family members It was simply a matter of thinking about what I know and what I could jot down on paper in the comfortable setting of my home or automobiles I conducted a vast number of interviews from members of each side of the family This was after I organized a family tree and decided to proceed from that Those interviews led me to further interviews Wherever and whenever I could I got many telephone numbers and e mail addresses Sometimes I researched the Internet when given information about their affiliations or personal pursuits I utilized other sources in addition to interviews Some sources included obituaries books magazines newspaper articles and just plain statistics regarding whatever endeavors they had such as with my only child Pursuing this type of manuscript required hard work devotion and perseverance This book serves as an encouragement to others to do family research and record whatever they find One should only seek the positive and sidestep the negative One derives a great deal of joy and satisfaction from engaging in such a project This work is a reflection of you and how you see things in the lenses of your life I hope that many who read this book take it upon themselves to do the same as I have done Doing this work was truly a joy and a blessing
