Board of Regents,1972 **The Living Church** ,1954 *South African Nursing Record ...* ,1927 *Working with indigenous knowledge* Fhumulani M. Mulaudzi,Rachel T. Lebeso,2022 The aim of the book is to assist both local and international scholars in articulating the scholarly discourse on indigenous health attitudes practices and experiences The indigenous lens that was used to generate and disseminate indigenous knowledge in this book will strengthen indigenous scholarship thus making it accessible to a wider audience In addition the information shared in this book will add value for scholars and assist them with the indigenous knowledge needed to address sustainable development goals This book is timeous and topical as the discourse on the decolonisation of the curriculum is widely debated in the higher education space The discourse on the scholarship of indigenous knowledge as the tacit local knowledge that stems from cultural practices within communities has not been well articulated in the current health science education milieu Indigenous knowledge has remained overlooked and undermined for a very long time and the information remains untapped in local communities The scholars who conducted the research on which this book is based unearthed a wealth of knowledge which was tacit in nature and translated it into implicit knowledge that can be documented and shared with other scholars globally This knowledge will assist health care scholars in benefiting from knowledge practices and cultural beliefs that will assist them in health care planning teaching evidence based practice and further research **The British Journal of Nursing with which is Incorporated the Nursing Record ...** ,1905 **Official Year Book of the Union and of Basutoland, Bechuanaland Protectorate, and Swaziland** South Africa.
