[Marijuana Recipes and Remedies for Healthy Living](#) Mary Jane Stawell, 2011-09-30 Marijuana is a palliative, an analgesic with anti-inflammatory properties; it alleviates pain without addictive effects experienced with narcotics. You might think of marijuana as being something like an herbal aspirin. In fact, it was used in folk medicines like aspirin for thousands of years to soothe aches and pains before aspirin was discovered. When hearing marijuana, most of us call up an image of recreational smoking to get high. Being in the high state actually promotes wellness. Being high feels good and feeling good encourages healing and homeostasis. Most of us, however, are less familiar with the other ways in which one can use marijuana as a remedy for ailments that diminish quality of life, like aching muscles from over exertion or spinal misalignment, for example. Actually, the list of ailments that can be soothed with medical marijuana is quite long. It is important to emphasize that marijuana does not cure; rather, it soothes and alleviates, and in so doing, we feel

better and heal faster This comes from its palliative qualities Marijuana s palliative qualities can be delivered in a variety of ways smoking eating rubbing into the skin Each of these delivery methods has special benefits which are compared and contrasted in MARIJUANA RECIPES AND REMEDIES In addition to the delicious foods described MARIJUANA RECIPES AND REMEDIES tells how to extract the beneficial chemicals from the herb its essence to make tinctures and ointments good for massaging aching muscles soothing bug bites MARIJUANA RECIPES AND REMEDIES offers many easy delicious nutritious recipes including desserts of all kinds breads main courses and elixirs It also teaches principles such as using butter to extract the essence so that you can experiment with your own recipe development What fun Most cookbooks tell you how to cook from scratch which is great if you re a cook and you have enough time But many us aren t cooks yet we would like to incorporate marijuana herbals in our menu MARIJUANA RECIPES AND REMEDIES is unique in that it shows how to use inexpensive off the shelf ready made mixes you can find at the corner store to make some fabulous cannabis cuisine How to convert off the shelf lotions into something fit for Cleopatra well almost **Marijuana Herbal Cookbook** Tom Flowers,1995 Written by a medical user for other patients Contains detailed information on cooking with cannabis as well as instruction for making extract and concentrates *Weed: The User's Guide* David Schmader,2016-04-05 This well baked and hilarious guide to the brave new world of marijuana is required reading for longtime potheads and new users alike Dan Savage This fun and insightful book is the perfect owner s manual Rick Steves The United States is in the midst of a weed renaissance Recreational marijuana is greenlit in a growing number of states with medical marijuana legal in many more The Stranger writer and performer David Schmader is your witty and well baked tour guide to this brave new world of legal marijuana Here you ll learn Which presidents were potheads Hemp vs cannabis Dealing with dealers What is the difference between a blunt and a spliff How to make an apple into a pipe How to clean a bong How to make the world s best pot brownies What to do if you are high and you don t like it How to maximize your high with food chilled grapes and a cheese platter or 10 worth of whatever you want from 7 Eleven entertainment from abstract expressionism to buddy comedies and nature dog parks are a stoner s paradise Packed with history ways to enjoy recipes safety and legality tips and medical use information this little manual is the perfect addition to your stash *Willie and Annie Nelson's Cannabis Cookbook* Willie Nelson,Annie Nelson,David Ritz,Mia Tangredi,Andrea Drummer,2024-11-12 Country icon bestselling author and living legend Willie Nelson pairs his gift for storytelling and herbal remedies with his wife Annie s passion for home cooked meals in this cookbook of cannabis infused delicacies In the Nelson family s first ever cookbook we re cooking with good vibes only Drawn from their favorite meals on nationwide tours at the ranch at home and in their favorite cities along the way these recipes have stories to tell and what better way to enjoy a good meal than with a high flying tale and a relaxing buzz Each recipe provides a cannabis kick to ease the mind as much as the body making their cookbook an exciting comforting and lively way to dive into their story as they draw from meals shared with family friends and fans alike The
