Keys to Academic English Adrian Hale, Helen Basides, 2023-04-11 *Keys to Academic English* presents Academic English and its building blocks in an accessible easy to use format **French in Multilingual Anglophone Africa** Michael Akinpelu, Tunde Ajiboye, 2025-09-04 Examining the impact of French language in Nigeria this book discusses the prospects of French language use for development as well as its connection to literature and translation Despite its ambiguous and indistinct official status in the country French remains the preferred foreign language in Nigeria and academia Michael Akinpelu and Tunde Ajiboye's *French in Multilingual Anglophone Africa* Language Literature and Translation in Nigeria discusses how the French language is not only taught as a foreign language in Nigerian higher education but is also an important linguistic code for literary creation translation and interpretation blending local and international francophone cultures Part I explores issues related to bilingualism language resource management and comparison between French and local languages Part II considers the French language's exploitation in relation to translation and interpretation with particular interests in cultural challenges Part III provides historical context tracing the evolution of literary engagement of Nigerian writers contact with French and evolving perspectives on the language in Nigerian literature from the 1930s to present day Using case studies classroom fieldwork and policy analyses this book shows how French in multilingual Africa is not just a mode of communication but a powerful instrument of socio economic integration and mobility in a globalized world

American Book Publishing Record, 2003 Inquiry and the Literary Text James Holden, John Stephen Schmit, 2002 *Inquiry and the Literary Text* will help newcomers and veterans alike make the most of student discussion and inquiry in classrooms from middle school to high school to college The contributors secondary and college practitioners offer theory grounded classroom tested approaches for literature study in which students engage in democratic dialogue and practice authentic collaborative inquiry The book opens with a concise primer on discussion based classes seminars and inquiry focused instruction It then moves into three main sections that provide ideas to invigorate discussion and inquiry in any classroom and it closes with an annotated bibliography of suggested readings **Recording for the Blind & Dyslexic, ... Catalog of Books**, 1996 *Books in Print*, 1991 **Forthcoming Books** Rose Army, 2003 *The Essay: An Introduction* Robert DiYanni, 2001-07-25 Originally published as part of Robert DiYanni's *Literature* fourth edition *The Essay* serves those Introduction to Literature courses that cover this genre in addition to Poetry Fiction and Drama It is available separately or in a package with DiYanni's *Literature* fifth edition **Books in Print Supplement**, 2002 **Literature** Robert DiYanni, 2001-07 This anthology offers a lively introduction to the study of fiction poetry and drama and is appropriate for introduction to literature courses as well as literature based composition courses Known for its clear presentation of the formal elements of literary analysis DiYanni's *Literature* effectively balances classical modern and contemporary works across the three major genres blending well known writers with a diverse gathering of newer international figures This

literary breadth is supplemented by extensive coverage of writing about literature making DiYanni an excellent resource for literature instructors who want a full featured anthology **International Journal of Sexuality and Gender Studies**,2000 *Psychology of Entertainment* Jennings Bryant,Peter Vorderer,2013-10-31 As entertainment becomes a trillion dollar a year industry worldwide as our modern era increasingly lives up to its label of the entertainment age and as economists begin to recognize that entertainment has become the driving force of the new world economy it is safe to say that scholars are beginning to take entertainment seriously The scholarly spin on entertainment has been manifested in traditional ways as well as innovative ones Representing the current state of theory and research *Psychology of Entertainment* promises to be the most comprehensive and up to date volume on entertainment It serves to define the new area of study and provides a theoretical spin for future work in the area Divided into three basic parts this book addresses the fundamental mechanisms and processes involved in orienting to and selecting entertainment fare as well as receiving and processing it explores the mechanisms and processes by which we are entertained by the media messages we select and receive and provides an opportunity for the application of well established as well as emerging psychological and psychobiological theories to be applied to the study of entertainment in ways that seldom have been utilized previously *Psychology of Entertainment* will appeal to scholars researchers and graduate students in media studies and mass communication psychology marketing and other areas contributing to the entertainment studies area Victorian Poetry ,2001 *Subject Guide to Books in Print* ,2001 Cumulative Book Index ,1998 A world list of books in the English language *Material Texts in Early Modern England* Adam Smyth,2018-01-11 What was a book in early modern England By combining book history bibliography and literary criticism *Material Texts in Early Modern England* explores how sixteenth and seventeenth century books were stranger richer things than scholars have imagined Adam Smyth examines important aspects of bibliographical culture which have been under examined by critics the cutting up of books as a form of careful reading book destruction and its relation to canon formation the prevalence of printed errors and the literary richness of mistakes and the recycling of older texts in the bodies of new books as printed waste How did authors including Herbert Jonson Milton Nashe and Cavendish respond to this sense of the book as patched transient flawed and palimpsestic *Material Texts in Early Modern England* recovers these traits and practices and so crucially revises our sense of what a book was and what a book might be *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 Paperbound Books in Print ,1991

Evidence in the Age of the New Sciences James A.T. Lancaster,Richard Raiswell,2018-10-24 The motto of the Royal Society Nullius in verba was intended to highlight the members rejection of received knowledge and the new place they afforded direct empirical evidence in their quest for genuine useful knowledge about the world But while many studies have raised questions about the construction reception and authentication of knowledge *Evidence in the Age of the New Sciences* is the first to examine the problem of evidence at this pivotal moment in European intellectual history What constituted

evidence and for whom Where might it be found How should it be collected and organized What is the relationship between evidence and proof These are crucial questions for what constitutes evidence determines how people interrogate the world and the kind of arguments they make about it In this important new collection Lancaster and Raiswell have assembled twelve studies that capture aspects of the debate over evidence in a variety of intellectual contexts From law and theology to geography medicine and experimental philosophy the chapters highlight the great diversity of approaches to evidence gathering that existed side by side in the sixteenth and seventeenth centuries In this way the volume makes an important addition to the literature on early science and knowledge formation and will be of particular interest to scholars and advanced students in these fields

Like Season'd Timber Edmund Miller, Robert DiYanni, 1987 *Like Season'd Timber* explores new areas for the study of George Herbert Essays offering new light on Herbert's biography and his relation to the arts are followed by studies of the less familiar works and of Herbert's relation to his poetic contemporaries The last section of the book explores Herbert's influence on a number of major writers since the revival of interest in the early nineteenth century Contributors include such major scholars of seventeenth century literature as Joseph Holmes Summers Jerome Mazzaro and the late Amy M Charles and also a range of younger scholars with specialized backgrounds in the subjects of their particular essays
