

What is mediation . Narrate the qualities of mediator ?

Mediation involves the intervention of a 3rd person , or a mediator into a dispute to assist the parties in negotiating jointly acceptable resolution of issues in conflict.

Mediator :

Mediators are after all expert negotiators - seasoned and experienced lawyers and business people having received specialised mediation training. When a mediator mediates he is engaged in the process of trying to help and persuade two or more parties to come to a mutually acceptable agreement . One can see the mediator as in essence the "negotiator for both sides."

Qualities of a good mediator :

A mediator is a neutral and impartial person who does not decide or judge but instead becomes an active force during the negotiation between the parties. A mediator helps parties agree without announcing his decision . A mediator uses specialised communication techniques and
