

# **Basketball**

The squeak of sneakers  
The pounding of feet  
The sounds on court  
Are just so sweet.  
The dribble of balls  
And my teammate's calls  
Every cheer  
Brings happiness to my ear.  
There are many sounds  
But the one I like the best  
  
Is probably the swish  
Of the ball through the net.

Better with Age Dr. Alan D. Castel,2018-08-01 Age is an important number but it can also be deceiving After 40 most people say they feel younger than their years some lie about their age and many attempt to hide the signs of growing old Better with Age addresses the many myths and paradoxes about the aging process Although most people think of their later years in terms of decline they can be one of the best times in life This book presents the latest scientific research about the psychology of aging coupled with insights from those who have succeeded in doing it well such as Maya Angelou Bob Newhart Jared Diamond John Glenn and John Wooden We are all aging and many people are concerned about what to expect with advancing years Retirement happiness and brain health are some of the many topics covered in this book Better with Age shows what we can do now at any stage in life to make sure we enjoy old age

Mystic Cool Don Joseph Goewey,2013-04-20 You possess the most remarkable system in all of biology the human brain You have the power to direct it with the most complex set of processes in the universe the mind When you use this creative power consciously you not only actualize the power to excel in whatever you do you can direct your experience in ways that make life fulfilling and meaningful As wonderful as this might sound for many the journey may be anything but Every major survey shows that the majority of us are plagued by stress and anxiety which is toxic to the brain The new science is clear transcend stress regain higher brain function and the mind lights up with creative intelligence Mystic Cool shows us how to calmly turn our backs on stress and walk in the direction of the brilliant life we were born to live
