**COLLECTION** Millicent Eidson,2025-05-30 When personal tragedies collide with pandemics and emerging microbial threats veterinary epidemiologist Maya Maguire finds the courage to tackle worldwide public health crises Haunted but determined Maya must make sense of challenging research betrayal and conflicting loyalties in a desperate race to detect how disease outbreaks are spreading and whether they can be stopped This is an ebook collection of the first four novels in the MayaVerse a public health world centered on Maya Maguire at the start of her career with the Centers for Disease Control and Prevention A statistics nerd adopted as an infant from China raised in the U S Southwest and damaged by a childhood accident she struggles to find her place She s obsessed with achievement and allegiance to her colleagues as she fights microbial threats including bacteria anthrax and Borrelia and viruses COVID 19 and dengue The combined stories follow a diverse cast of epidemiologists veterinarians and public health officials navigating ethical dilemmas during global and local disease investigations across multiple locales from Arizona and New Mexico to Hawaii and international settings in Europe Africa and China At its core the novels are about human resilience and the struggle to balance grief with the urgent need to protect public health in a disrupted world The central theme is the interplay between human fragility and tenacity in the face

of relentless large scale disease challenges The narrative explores how characters navigate despair guilt and trauma while confronting the uncertainties of modern disease outbreaks and scientific dilemmas The story repeatedly emphasizes that even amidst global and private calamities the search for truth connection and a sense of purpose persist The collection is a medical thriller combined with elements of mystery suspense romance and contemporary fiction It will appeal to readers of Michael Crichton Robin Cook and James Patterson who integrate science within a suspenseful narrative It also will be of interest to readers who enjoy international and multicultural settings given the story's global scope and those in fields such as infectious diseases wildlife conservation bio engineering and public health policy Unlike standard thrillers this collection interweaves intimate character relationships family dynamics and professional dilemmas in public health appealing to both hard science readers and those favoring emotionally rich narratives It differs from purely academic texts by effectively using high stakes storytelling to mirror current societal and ethical issues positioning it as both entertaining and thought provoking

Economics Patrick J. Welch, Gerry F. Welch, 2009-11-23 The ninth edition introduces business professionals to basic economic concepts institutions relationships and terminology It has been updated with the most current qualitative data Over 20 new applications have been added that help them connect economics to real world experiences They'll gain insight into green economics and how business and the environment are related Critical Thinking Cases are presented at the end of the chapter to show how concepts are applied Up for Debate sections also examine the different sides of current economic issues These updates prepare business professionals to apply their economic knowledge in the field

Popular Science, 2004-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better

**Home & Away**, 2006
