16 Dead Men: The Easter Rising Executions Anne-Marie Ryan, 2014-09-05 Sixteen men were executed in the aftermath of the Easter Rising in Ireland 1916 fifteen were shot and one was hanged Their deaths changed the course of Irish history But who were these leaders who set in motion events that would lead to the creation of an independent Ireland The executed leaders of the Easter Rising were a diverse group This book contains fascinating accounts of the life stories of these men and recounts the events that brought each of them to rebellion in April 1916

16 Dead Men Anne-Marie Ryan, 2014 Sixteen men were executed in the aftermath of the Easter Rising in Ireland 1916 fifteen were shot and one was hanged Their deaths changed the course of Irish history But who were these leaders who set in motion events that would lead to the creation of an independent Ireland Teachers poets trade unionists a shopkeeper and a farmer the executed leaders of the Easter Rising were a diverse group This book contains fascinating accounts of the life stories of these men and recounts the events that brought each of them to rebellion in April 1916 All these stories are compiled for the first time in one volume making it an ideal overview for the history enthusiast and a good introduction for the general reader

Cork's Revolutionary Dead Barry Keane, 2017-06-12 In Part 1 Keane gives a brief introduction to the period and outlines the most important events that took place during the course of the fight against the British in Cork from 1916 to 1921 and during the Civil War of 1922-23 This includes the burning of Cork city the ambush at Kilmichael which is examined in great detail Crossbarry and the story of Tom Barry's trench coat In Part 2 Keane uses a wealth of new sources to reconstruct every death that can be ascribed to the war including those caught in the crossfire and some accidental deaths that can be directly linked to one side or the other Some individuals who did not die in the county but who were central to the conduct of the war there are also included One such example is Terence MacSwiney who died in Brixton prison in London in October 1920 but was both head of the IRA in Cork and lord mayor of the city having assumed the role after his predecessor Tom's MacCurrtain had been assassinated earlier that year

Those of Us Who Must Die Derek Molyneux, Darren Kelly, 2017-11-10 The 1916 Rising is one of the most documented and analysed episodes in Ireland's turbulent history Often overlooked however is its immediate aftermath This significant window in the narrative of Irish revolutionary history which saw the rebirth of the Volunteers and laid the foundations for the War of Independence is usually covered as a footnote or from the biographical standpoints of the leaders Picking up where the authors acclaimed account of the Rising When the Clock Struck in 1916 left off we join the men and women of the Rising in the dark abyss of defeat The leaders poignant final hours and violent ends are laid bare but the perspective of those with the unpalatable task of carrying out the executions is also revealed rectifying a historic disservice to those who reluctantly formed the firing squads While the prisoners in Dublin awaited their grisly fates others were deported in stinking cattle boats to camps in England and Wales When they returned it was to a jubilant welcome in a radically changed country The gruesome death of Thomas Ashe in September 1917 after being force fed in Mountjoy Prison

became a marshalling point for the republican movement as his funeral saw Volunteers once again assembled in uniform on Dublin's streets. The next phase of the struggle was born under new leaders who had graduated from the internment camps known as Republican Universities ready and eager to fill the void left by the executed visionaries. The authors sifted through thousands of first hand accounts of the suffering endured when ordinary people set out to change history. Their stirring account will transport readers into life as it looked, sounded and even smelt to those taking part in this crucial juncture of our history.

Sacrifice and Modern War Literature Alex Houen, Jan-Melissa Schramm, 2018. This book explores how writers from the early nineteenth century to the present have addressed the intimacy of sacrifice and war. Each chapter presents fresh insights into the literature of a particular conflict. The range of literature examined complements the rich array of topics related to wartime sacrifice that the contributors discuss.

Voices from the Easter Rising Joseph McKenna, 2017-06-23. For a week in April 1916 2 000 Irish Volunteers rose up in armed rebellion against the British Empire in a bid to establish an independent Irish state. Tracing the establishment of the various organizations involved, this account of the Easter Rising provides a day to day narrative by those who took part along with personal accounts of the trial, the execution of the rebel leaders and the imprisonment of the surviving Volunteers. Atrocities and murders that took place on both sides are described in detail based on coroners reports.

Stories from Irish History James M Bourke, 2021-12-03. *Stories from Irish History* is a collection of 13 stories based on selected episodes in Irish history some of which are unremembered. They are historical fiction, a popular modern genre which has great appeal for many readers. Even though the stories are partly fictional they are based on extensive historical research. We have to go back in time in order to discover ourselves and our culture. We do not have to live in the past but neither should we deny it. Our history is all around us in the very air we breathe not only in our history books but in the hills and valleys in our lore and literature in our art and architecture in our songs and poetry. We know that the past is never past. We need to know who we are and who we used to be. We need to know about our cultural heritage, our pre history, our lore, our local history and the story behind placenames. Ireland is a nation of story tellers and historical fiction keeps that tradition alive not only in Ireland but also among the Irish diaspora in the UK, USA, Canada, Australia and New Zealand.

Yeats's Political Identities Jonathan Allison, 1996. Collects some of the most trenchant essays of the last three decades on Yeats's politics.

The Yeats Reader, Revised Edition William Butler Yeats, 2011-11-29. Throughout his long life William Butler Yeats, Irish writer and premier lyric poet in English in this century produced important works in every literary genre, works of astonishing range, energy, erudition, beauty and skill. His early poetry is memorable and moving. His poems and plays of middle age address the human condition with language that has entered our vocabulary for cataclysmic personal and world events. The writings of his final years offer wisdom, courage, humor and sheer technical virtuosity. T S Eliot pronounced Yeats the greatest poet of our time, certainly the greatest in this language and so far as I am able to judge in any language and one of the few whose history is the history of their own time, who are a part of the

consciousness of an age which cannot be understood without them The Yeats Reader is the most comprehensive single volume to display the full range of Yeats's talents It presents more than one hundred and fifty of his best known poems more than any other compendium plus eight plays a sampling of his prose tales and excerpts from his published autobiographical and critical writings In addition an appendix offers six early texts of poems that Yeats later revised Also included are selections from the memoirs left unpublished at his death and complete introductions written for a projected collection that never came to fruition These are supplemented by unobtrusive annotation and a chronology of the life Yeats was a protean writer and thinker and few writers so thoroughly reward a reader's efforts to essay the whole of their canon This volume is an excellent place to begin that enterprise to renew an old acquaintance with one of world literature's great voices or to continue a lifelong interest in the phenomenon of literary genius

The The Collected Works of W.B. Yeats Vol. III:

Autobiographies William Butler Yeats, 2010-07-06 Autobiographies consists of six autobiographical works that William Butler Yeats published together in the mid 1930s to form a single extraordinary memoir of the first fifty eight years of his life from his earliest memories of childhood to winning the Nobel Prize for Literature This volume provides a vivid series of personal accounts of a wide range of figures and it describes Yeats's work as poet and playwright as a founder of Dublin's famed Abbey Theatre his involvement with Irish nationalism and his fascination with occultism and visions This book is most compelling as Yeats's own account of the growth of his poetic imagination Yeats thought that a poet leads a life of allegory and that his works are comments upon it Autobiographies enacts his ruling belief in the connections and coherence between the life that he led and the works that he wrote It is a vision of personal history as art and so it is the one truly essential companion to his poems and plays Edited by William H O'Donnell and Douglas N Archibald this volume is available for the first time with invaluable explanatory notes and includes previously unpublished passages from candidly explicit first drafts

A Commentary on the Collected Poems of W. B. Yeats A. Norman Jeffares, 1968-06-18 **Sean Heuston** John

Gibney, 2013-06-07 Sean Heuston was an Irish rebel and member of Fianna ireann who took part in the Easter Rising of 1916 With The Volunteers he held the Mendicity Institute on the River Liffey for over two days He was executed by firing squad on May 8 in Kilmainham Jail This book part of the 16 lives series is a fascinating and moving account of his life leading up to and during these events It follows his life from his birth in Dublin to his time as a railway clerk in Limerick Finally it outlines his move back to Dublin his joining The Volunteers the Easter Rising his imprisonment and execution This book is a fascinating and moving insight into a man who sacrificed his life for his country
