**1945-1959**

# 18 Origins Of The Cold War

**Alan Axelrod**

## 18 Origins Of The Cold War:

**Origins of the Cold War** David S. Painter, 2005 This second edition brings the collection up to date including the newest research from the Communist side of the Cold War and the most recent debates on culture race and intelligence

**Rethinking Theory and History in the Cold War** Richard Saull, 2001 Rethinking Theory and History in the Cold War focuses on what we mean by politics and international relations and how such assumptions have come to determine our understanding of the Cold War Using an historical materialist method the author criticizes conventional conceptions of international politics that tend to focus on the agency of and relations among states and offers an alternative historical sociology of the Cold War through an analysis of the relationship between formal political authority and socio economic production Seen from this perspective the state the modern conceptions of politics can be seen as products of a capitalist modernity in which politics is based on the separation of the spheres of politics in the state and economics in civil society

BOOK JACKET A Military History of the Cold War, 1944-1962 Jonathan M. House, 2014-04-28 The Cold War did not culminate in World War III as so many in the 1950s and 1960s feared yet it spawned a host of military engagements that affected millions of lives This book is the first comprehensive multinational overview of military affairs during the early Cold War beginning with conflicts during World War II in Warsaw Athens and Saigon and ending with the Cuban Missile Crisis A major theme of this account is the relationship between government policy and military preparedness and strategy Author Jonathan M House tells of generals engaging in policy confrontations with their governments political leaders among them Anthony Eden Nikita Khrushchev and John F Kennedy many of whom made military decisions that hamstrung their own political goals In the pressure cooker atmosphere of atomic preparedness politicians as well as soldiers seemed instinctively to prefer military solutions to political problems And national security policies had military implications that took on a life of their own The invasion of South Korea convinced European policy makers that effective deterrence and containment required building up and maintaining credible forces Desire to strengthen the North Atlantic alliance militarily accelerated the rearmament of West Germany and the drive for its sovereignty In addition to examining the major confrontations nuclear and conventional between Washington Moscow and Beijing including the crises over Berlin and Formosa House traces often overlooked military operations against the insurgencies of the era such as French efforts in Indochina and Algeria and British struggles in Malaya Kenya Cyprus and Aden Now more than fifty years after the events House describes understanding the origins and trajectory of the Cold War is as important as ever By the late 1950s the United States had sent forces to Vietnam and the Middle East setting the stage for future conflicts in both regions House s account of the complex relationship between diplomacy and military action directly relates to the insurgencies counterinsurgencies and confrontations that now occupy our attention across the globe *The Cambridge History of the Cold War* Melvyn P. Leffler, Odd Arne Westad, 2010-03-25 This volume examines the origins and early years of the Cold War in the first comprehensive historical

reexamination of the period A team of leading scholars shows how the conflict evolved from the geopolitical ideological economic and sociopolitical environments of the two world wars and interwar period **Cold War US Foreign Policy** Steven Hurst,2019-07-31 This book provides the first comprehensive description and critique of the six most important historical interpretations of US Cold War foreign policy Traditionalism Revisionism Post Revisionism Corporatism World Systems Theory and Post Structuralism The author uses the levels of analysis approach to demonstrate how each of these perspectives can be understood as an explanatory framework combining different types of factors located at different levels of the international system This original way of explaining the work of the historians discussed helps the reader to see past the narrative and empirical elements of their writings and to grasp more clearly the underlying theoretical assumptions In each chapter a description of the perspective s underlying theoretical framework and how it explains US foreign policy is followed by a critique of that theory and explanation A central theme developed throughout the book is the difficulty of managing the constant tension between the explanatory power of theory and the historian s desire to encompass the complex totality of historical events This critical companion can be read alongside the works of the historians themselves showing how they have sought to explain US Cold War foreign policy and the key differences between their perspectives Key Features 1st complete discussion of the 6 schools of thought in one volume Discusses current issues such as corporatism world systems theory and post structuralism in an accessible manner original use of the levels of analysis framework in studying this subject demonstrates in practical terms how each theory explains US Cold War foreign policy *A Military History of the Cold War, 1962-1991* Jonathan M. House,2020-09-24 Study of the Cold War all too often shows us the war that wasn t fought The reality of course is that many hot conflicts did occur some with the great powers weapons and approval others without It is this reality and this period of quasi war and semiconflict that Jonathan M House plumbs in *A Military History of the Cold War 1962 1991* a complex case study in the Clausewitzian relationship between policy and military force during a time of global upheaval and political realignment This volume opens a new perspective on three fraught decades of Cold War history revealing how the realities of time distance resources and military culture often constrained and diverted the inclinations or policies of world leaders In addition to the Vietnam War and nuclear confrontations between the USSR and the United States this period saw dozens of regional wars and insurgencies fought throughout Asia Africa and Latin America Cuba Pakistan Indonesia Israel Egypt and South Africa pursued their own goals in ways that drew the superpowers into regional disputes Even clashes ostensibly unrelated to the politics of East West confrontation such as the Nigerian Biafran conflict the Falklands Malvinas War and the Indonesian occupation of East Timor involved armed forces weapons and tactics developed for the larger conflict and thus come under House s scrutiny His study also takes up nontraditional or specialized aspects of the period including weapons of mass destruction civil military relations civil defense and control of domestic disorders The result is a single integrated survey and analysis of a complex period in geopolitical history which fills a significant gap in our

knowledge of the organization logistics operations and tactics involved in conflict throughout the Cold War **US Foreign Policy in World History** David Ryan,2000 A survey of US foreign relations and its perceived crusade to spread liberty and democracy in the two hundred years since the American Revolution It is structured around central episodes and ideas in the history of US foreign policy *The Origins of the Cold War, 1941-1949* Martin McCauley,2003 The Cold War is one of the most important and widely studied areas of history Martin McCauley s best selling Seminar Study unravels the complex issues which gave rise to the Cold War Revised updated and expanded this new edition incorporates the most recent scholarship theories and newly released information to provide students with an invaluable introduction to the subject

*The United States, Italy and the Origins of Cold War* Kaeten Mistry,2014-05-15 This international history of the origins of cold war in postwar Europe examines the complex relationship between the United States and Italy **The Origins of the Cold War in Europe** David Reynolds,1994-01-01 Although the Cold War is over the writing of its history has only just begun This book presents an analysis of the origins of the Cold War in the decade after the Second World War discussing the development of the United States and the Soviet Union as superpowers and the reactions of the Western European states to the growing Soviet American rivalry Drawing on recently opened archives from the former Soviet Union as well as on existing research largely unavailable in English distinguished authorities from each of the countries discussed provide new insight into the Cold War and into the Europe that has been molded by it The book begins with an overview of United States Cold War policy after the war and a pioneering post communist examination of Russian involvement The next chapters focus on the other two members of the wartime alliance Britain and France for which the Cold War was interwoven with concerns such as the maintenance of empire and the continued fear of Germany The book then examines the vanquished countries of World War II Italy and Germany who particularly in the case of divided Germany were struggling to recover their international status and come to terms with their past The last part of the book considers how the small states Benelux and Scandinavia forged new groupings in the search for security even though conflicts of national interest still persisted between them The authors not only show the impact of superpower policies on each country but also reveal the many ways in which West European states were active participants in Cold War politics trying to draw the Americans into Europe and shaping the blocs that emerged The book sheds light on the European Community in many ways a response to uneasiness about Germany and on NATO whose purpose was once described as keeping the Russians out the Americans in and the Germans down

*Piero Gleijeses' International History of the Cold War in Southern Africa, Omnibus E-Book* Piero Gleijeses,2013-12-01 This Omnibus E Book brings together Piero Gleijeses s two landmark books for the first time *Visions of Freedom* Havana Washington Pretoria and the *Struggle for Southern Africa* 1976 1991 During the final fifteen years of the Cold War southern Africa underwent a period of upheaval with dramatic twists and turns in relations between the superpowers Americans Cubans Soviets and Africans fought over the future of Angola where tens of thousands of Cuban soldiers were stationed and

over the decolonization of Namibia Africa's last colony Beyond lay the great prize South Africa Piero Gleijeses uses archival sources particularly from the United States South Africa and the closed Cuban archives to provide an unprecedented international history of this important theater of the late Cold War *Conflicting Missions Havana Washington and Africa 1959-1976* This sweeping history of Cuban policy in Africa from 1959 to 1976 is based on unprecedented research in African Cuban and American archives Among Gleijeses's many sources are Cuban archival materials to which he is the only non-Cuban to ever have access Setting his story within the context of U.S. policy toward both Africa and Cuba during the Cold War Gleijeses challenges the notion that Cuban policy in Africa was directed by the Soviet Union

*Origins of Mass Communications Research During the American Cold War* Timothy Glander, 1999-12 This critical examination of the origins of mass comm. research from the perspective of an educational historian investigates the educational meaning of the mass media with the goal of understanding the essential connection between educ. and comm.

**Britain, Italy and the Origins of the Cold War** E. Pedaliu, 2003-10-23 Effie G. H. Pedaliu analyzes the British Labour government's contribution to the postwar reconstruction of Italy The book focuses on five areas: the punishment of war criminality, the reconstruction of the Italian armed forces, the Italian elections of April 1948, and Italy's institutional role in western security arrangements and on European integrative bodies It reveals that British policy towards Italy was underpinned not only by power politics but also by moral and ideological considerations

**The Real History of the Cold War** Alan Axelrod, 2009 Reveals the intriguing suspenseful true story behind the globe-spanning battle of wills between the US and the Soviet Union after the fall of Nazi Germany

**Interpretations of American History, 6th Ed, Vol.** Gerald N. Grob, George Athan Billias, 2010-06-15 This collection of essays on American history reflects recent scholarship Contributors new to this edition include Gary Nash, Arthur Schlesinger, Richard P. McCormick, Gerda Lerner, Ellen C. DuBois, Vicki L. Ruiz, Nathan I. Huggins, John Lewis Gaddis, Paul Kennedy, and Kevin P. Philips Edited by Gerald N. Grob and George Athan Billias

**Taiwan, the United States, and the Hidden History of the Cold War in Asia** Hsiao-Ting Lin, 2022-04-28 This book explores the challenges which faced the United States and Taiwanese alliance during the Cold War, addressing a wide range of events and influences of the period between the 1950s and 1970s Tackling seven main topics to outline the fluctuations of the U.S.-Taiwan relationship, this volume highlights the impact of the mainland counteroffensive, the offshore islands, Tibet, Taiwan's secret operations in Asia, Taiwan's Soviet and nuclear gambits, Chinese representation in the United Nations, and the Vietnam War Utilizing multinational archival research, particularly the newly available materials from Taiwan and the United States, to reevaluate Taiwan's foreign policy during the Cold War, revealing a pragmatic and opportunistic foreign policy disguised in nationalistic rhetoric Moreover, this study represents a departure from previous scholarship, emphasizing the dictatorial and incompetent nature of the Chinese Nationalist regime to provide fresh insights into the nature of U.S.-Taiwan relations Presenting a revisionist view of one of the strongest bilateral relationships of the Cold War, this will be an insightful resource for scholars

and students of Chinese and East Asia History Cold War History Asian Studies and International Relations Reviewing the Cold War Odd Arne Westad, 2013-10-14 Since the cold war ended it has become an international field of study with new material from China the former Soviet Union and Europe This volume takes stock of where these new materials have taken us in our understanding of what the cold war was about and how we should study it *Unexceptional* Marc J. O'Reilly, 2008-04-07 *Unexceptional America's Empire in the Persian Gulf 1941-2007* examines U S policy vis vis the Persian Gulf since the Second World War It asserts that the American experience in this strategic yet volatile region known for its plentiful oil and gas can be best understood as an unexceptional imperial endeavor similar in kind to that of the British Ottoman and other empires in previous centuries Since 1941 the U S empire in the Gulf has achieved successes such as Operation Desert Storm and the invasion of Iraq Setbacks have included the Iranian Revolution and the ongoing occupation of Iraq Given these and many other events which this book spotlights America's Gulf empire has undergone repeated expansion and contraction a typical imperial pattern The result has been a cycle of waxing and waning U S influence in a critical region of the world Until its occupation of Iraq the United States practiced informal empire in the Gulf rather than colonialism Currently however the formal empire established by the United States in Iraq jeopardizes the overall American position in the Gulf which seemed unassailable in early 2003 **Cold War** Spencer C. Tucker, Priscilla Roberts, 2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker *Cold War A Student Encyclopedia* captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union *Cold War A Student Encyclopedia* offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century *US Covert Operations and Cold War Strategy* Sarah-Jane Corke, 2007-09-12 Based on recently declassified documents this book provides the first examination of the Truman Administration's decision to employ covert operations in the Cold War Although covert operations were an integral part of America's arsenal during the late 1940s and early 1950s the majority of these operations were ill conceived unrealistic and ultimately doomed to failure In this volume the author looks at three central questions Why were these types of operations adopted Why were they conducted in such a haphazard manner And why once it became clear that they were not working did

the administration fail to abandon them The book argues that the Truman Administration was unable to reconcile policy strategy and operations successfully and to agree on a consistent course of action for waging the Cold War This ensured that they wasted time and effort money and manpower on covert operations designed to challenge Soviet hegemony which had little or no real chance of success US Covert Operations and Cold War Strategy will be of great interest to students of US foreign policy Cold War history intelligence and international history in general

### **18 Origins Of The Cold War Introduction**

In today's digital age, the availability of 18 Origins Of The Cold War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of 18 Origins Of The Cold War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of 18 Origins Of The Cold War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing 18 Origins Of The Cold War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, 18 Origins Of The Cold War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing 18 Origins Of The Cold War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for 18 Origins Of The Cold War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, 18 Origins Of The Cold War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of 18 Origins Of The Cold War books and manuals for download and embark on your journey of knowledge?

### FAQs About 18 Origins Of The Cold War Books

1. Where can I buy 18 Origins Of The Cold War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
