This is the same type of service manual your local dealer will use when doing a repair for your Gmc Sierra. They are specifically written for the do-it-yourselfer as well as the experienced mechanic. Using this repair manual is an inexpensive way to keep your vehicle working properly. Each manual provides step-by-step instructions based on the complete disassembly of the machine. It is this level of detail, along with hundreds of photos and illustrations, that guide the reader through each service and repair procedure.

- . Detailed substeps expand on repair procedure information
- . Notes, cautions and warnings throughout each chapter pinpoint critical information.
- . Numbered instructions guide you through every repair procedure step by step.
- . Bold figure number help you quickly match illustrations with instructions.
