Where the River Bends Michael T. McRay, 2015-12-09 Myriad works discuss forgiveness but few address it in the prison context For most people prisoners exist out of sight and out of mind Their stories are often reduced to a few short lines in news articles at the time of arrest or conviction But what happened before in the lives of the convicted What has happened after How have people in prison dealt with the harm they have caused and the harm they have suffered What does forgiveness mean to them What can we outsiders learn about the nature of forgiveness and prison from individuals who have both dealt and endured some of life's most painful experiences Expanding on his MPhil dissertation Echoes from Exile with Distinction from Trinity College Dublin Michael McRay's important new book brings the perspectives and stories of fourteen Tennessee prisoners into public awareness Weaving these narratives into a survey of forgiveness literature McRay offers a map of the forgiveness topography At once storytelling academic activism and cartography McRay's book is as necessary as it is accessible There is a whole demographic we have essentially ignored when it comes to conversations on forgiveness What would we learn if we listened

Freedom All The Way Up Christian J. Barrigar, 2017-05-19. Freedom All The Way Up proposes four intertwined elements that make up the meaning of life: self, worth, purpose, identity, and hope. Materialism and atheism claim the universe has no meaning, so there is no larger purposeful story into which we can place ourselves; we are left on our own to construct meaning for our lives. Barrigar argues, though, that the universe possesses God's meaning and purpose to provide the space and conditions by which to bring about the existence of agape-capable beings in agape-loving relationships with God and with others. In effect, the universe is a great freedom system designed by God with freedom built in all the way up from the Big Bang to the emergence of big brains and free will. Barrigar describes the emergence of this system through his novel agape probability account of God's design for the universe, which integrates such disciplines as quantum physics, statistical mechanics, probability theory, evolutionary psychology, neuroscience, and game theory. This system sets up the conditions for a fundamental choice between autonomous freedom, which focuses principally on self, and agapic freedom, which focuses principally on God and on others. Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning. It turns out that nihilism is a much greater problem for Materialism than suffering is for Theism. In contrast, agapic freedom infuses self, worth, purpose, identity, and hope with God's agape love, dispelling Materialism's inherent

nihilism Freedom All The Way Up provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age *1 + 1 = One* Ken de Koning,2025-01-03 WHY ANOTHER MARRIAGE BOOK There was need for a book with short practical chapters with assignments and suggested prayers so that people could read for a little while and grab hold of something that they could apply to their marriage right away The chapters needed to be short enough that husband and wife could read it together without too much inconvenience enjoy the time together and even discuss the content of the chapters The fact that the lessons are so practical and therefore immediately applicable is huge The assignments give direction as to the application Then the icing on the cake for the husband and wife to pray out loud what is suggested at the end of each chapter brings a real sense of honesty before each other and before the Lord **Unexpected Gifts** Christopher L Heuertz,2013-01-08 In this heartfelt and thoughtful book Christopher Heuertz writes of the dangers of isolation the challenges we face when we join together and the struggles and joys that emerge from genuine community bonding Ironically as much as we yearn for deep friendships and meaningful communities many of us seem to be unable to find our way into them Even if we know we re made for community finding one and staying there seems almost impossible Though we hate to admit it if we stay long enough in any relationship or set of friendships we will experience failure doubt burnout loneliness transitions a loss of self betrayal frustration a sense of entitlement grief and weariness Yet it s these painful community experiences these tensions we struggle to navigate that hold surprising gifts FROM THE PREFACE IN A STRIKINGLY confessional tone and vividly illustrated through story Unexpected Gifts names eleven inevitable challenges that all friendships relationships and communities experience if they stay together long enough Rather than allowing these challenges to become excuses to leave Chris Heuertz suggests that things like betrayal transitions failure loss of identity entitlement and doubt may actually be invitations to stay And if we stay these challenges can become unexpected gifts Betrayal failure loss of identity doubt If your relationships have suffered from any of these pitfalls this book will show you that staying together can create something more even something beautiful IN THIS HEARTFELT and thoughtful book Christopher Heuertz writes of the dangers of isolation the challenges we face when we join together and the struggles and joys that emerge from genuine community bonding Whether readers are forming a new community searching for deeper community or participating in a longtime community they will find inspiration caution guidance and encouragement as they discover the beauty of pressing in to the ambiguities of growing relationships in this tender and honest testimony about how we are woven together by grace *Moments with Jesus* Lauren Erika Myers,2020-03-11 Moments with Jesus is a daily devotional presenting one central thought per week with six supporting Scripture references to build on that thought all through the week The Kingdom Parables Mike Mazzalongo,2015-01-13 This book reviews the parables that define the central theme of Jesus preaching ministry seeking and finding the Kingdom of heaven *Arnolds' Practical Sabbath-school Commentary on the International Lessons* ,1905 **A More Excellent Way** Henry W. Genesis 1:1-11:26 D.J. Letscher, 2020-01-28 As no part of the Bible is to be considered more important than any other part and there are no words of Scripture that we can do without the words of Genesis 1 11 26 are not considered any more or less important or noteworthy than another set of eleven chapters randomly found in Scripture These eleven chapters do however form the beginning of God's word to us and we are presented with history on a universal scale In my opinion it is the most sensible place to begin learning about our heavenly Father and about His eternal plan This approach will give a Bible student the fundamental knowledge that is essential to understanding all remaining Scripture This commentary will cover topics such as 1 The Creation of the Heaven and the Earth by God in Eternity Past Gen 1 1 and the Ruin in which they Ended Gen 1 2 2 The Six Days of Creation in Time Present Gen 1 231 Including the Sixth Day Creation of all mankind both male and female Gen 1 27 and the Blessing by God of the Seventh Day Gen 2 13 3 The Generations of the Heavens and of the Earth Gen 2 4 4 26 4 The Sixth Day Formation of Adam Gen 2 7 the Creation of Eve Gen 2 22 and Their Stay in the Garden of Eden 2 8 25 5 The Beguiling of Adam and Eve by Satan Gen 3 1 7 the Punishment Determined by God upon Satan Eve and Adam Gen 3 8 24 6 The Promise of a Savior Gen 3 15 7 The Birth of Cain and Abel the Murder of Abel by Cain and the Lineage of Cain Gen 4 1 24 8 The Lineage of Adam and the Antediluvian or Pre Flood Patriarchs Gen 5 1 31 9 The Fallen Angels and their Progeny the Giants Gen 6 1 7 10 Grace found only in Noah Gen 6 8 11 The Pedigree of Noah the Ark and the Flood Gen 6 9 9 29 12 The Generations of the Sons of Noah Gen 10 1 31 13 Nimrod and the Tower of Babel Gen 11 1 9 14 The Generations of Shem Gen 11 10 26 In addition below each verse of the eleven chapters covered selected words will be highlighted and both the equivalent Hebrew translation of the word as well as its definition will be given Definitions given are from The New Strong's Exhaustive Concordance of the Bible
