London, 2025-09-18 Yesterday's regrets tomorrow's hope love still waits At his niece's engagement party Ned finds himself drifting into memories of the past of his secret unrequited love for his childhood best friend and lifelong companion Jack Now that Jack's passed on those recollections bring both comfort and a bittersweet reminder of what was lost Amid the joyful celebrations and the younger generation's easy acceptance of love in all its forms Ned feels both grateful and unsettled Meanwhile Jack's son Thom is wrestling with his own uncertainties He and his lover Alex are on a break Thom suddenly unsure of their future and worried about how their relationship might be received in his conventional hometown But when Ned and Thom both notice the lingering yearning glance Alex gives Thom the fragile balance shifts What follows is an unexpected deeply personal conversation between two men of different generations one that uncovers long buried feelings and heartfelt truths In the end it's Thom who must decide will he let fear dictate his path and risk repeating history or will he heed Ned's hard won wisdom and take a chance on love before it's too late *Timeslip* Clare London, 2025-05-23 Kevin's

living the dream romance with his gorgeous boss Marcus but what's the hope it'll be real when he wakes up Kevin knows his crush on his gorgeous but impossibly aloof boss Marcus isn't going anywhere So it's a huge shock when Marcus mysteriously appears one night in Kevin's bedroom Kevin has just enough time to enjoy Marcus' attention and warm familiarity then Marcus vanishes And then it happens again the next night And the next Meanwhile back in daylight office hours Marcus is as cold as ever with no obvious recollection of his night time visits What's really happening Kevin's emotions run deep but so does his confusion He's wary of believing they have a chance together yet his body and heart respond too joyfully to ignore It will take a twist of fate a break in the routine and a bizarre time hiccup to bring them together properly and hopefully for real

Bite Night Clare London, 2019-09-08 A fun sexy MM Christmas romance Creatures of the Night and Santa's Christmas duties don't mix Every myth and bedtime story tells you so But on Christmas Eve when the Elves walked off the job over pension rights it was time for me Irwin the only vampire on Santa's payroll despite recent diversity initiatives and my trusty team to help out Just deliver a few parcels Santa asked me Just help out on your local patch Just for one night Armed with my reluctance to face all that human sentimentality and accompanied by a wise cracking werewolf and an unruly fairy with a taste for vodka I did my best Honest But we were heading for disaster until I came face to face with cute babysitter Benny It's Santa's Number One Rule no fraternising with the clients But Benny somehow managed to upset my

appetite inflame my libido and restore my faith in the Christmas spirit with one cheeky smile and a tasty body piercing It's Christmas and the show must go on *Dancing Days* Clare London,2022-03-01 Love was never the problem but forgiveness may be The day Glen Carson loses his wallet is the day that changes his life The wallet is returned by Aston Walsh a man he hasn't seen for over twenty years He and Aston had a passionate and intense romance when they were younger and Glen thought their love would last forever But his dreams were horribly shattered by a shocking confession from Aston and they parted for good or so Glen assumed Now two decades later they've lived many years apart created new histories and built successful lives Yet the spark between them is still there and Aston wants a second chance But Glen is more cautious this time around Is Aston's regret genuine Can he really offer Glen the love and care he wants and be proud of in front of everyone they care about Love isn't the problem it's whether the risk of surrendering his heart to Aston again is worth the prize **Just like in the Movies** Clare London,2025-06-10

It's not so easy to be the star in your own action movie All Bailey wants is to be a good negotiator and to impress his boss and teacher the legendary Drew Fletcher He admires Fletcher for his skills in the field but that doesn't stop him admiring the man for other more romantic reasons as well In a tense hostage situation it's pretty unlikely Bailey's usual rash behaviour will cover him in glory but in his dreams it's all going to happen just like in the movies When he finally acts to protect his boss it doesn't go the way he hopes or does it Will Bailey get to play the hero and get the guy of his dreams **Santa No. 5** Clare London,2023-11-14

No one looks good in a borrowed Santa suit Especially in a police line up Jacob Carter is struggling as the new sergeant of the village police station There's been a rash of Christmas gift thefts his staff are bemused by his bossy city ways and in return he's having trouble adapting to their more relaxed approach to community policing Let alone the fact that everyone seems happy to get involved in everyone else's diverse and often controversial lives He's having even more trouble believing Nick Hollybush is a heartless criminal despite the result of a bizarre line up and all the practical evidence mounting up Especially with Nick's sparkling eyes the shy smile in Jacob's direction and their obvious chemistry How on earth is Jacob going to juggle the duties of a copper against the romantic desires of an ordinary man and still keep the village's Christmas celebrations safe Author Note this story was originally included in the limited edition charity anthology Kind Hearts at Christmas **Hidden Hearts** Clare
