## 8 Ply Jersey Knitting Patterns:

Knitting Fashions of the 1940s Jane Waller, 2021-01-20 The 1940s was a decade of exciting and prolific knitting activity. Scarcity of wools and dyes produced imaginative but stylish designs. This classic pattern book, now in paperback for 2021, is a treasury of patterns adapted for today's yarns and needles that will appeal to all handknitters and to anyone interested in the period. Over fifty patterns are featured, ranging from twinsets to hats with a variety of stitches. Illustrations show the garments as advertised in the 1940s and as reknitted for today's wear. Introductions to the patterns make this a unique book that will inform, inspire, and delight.

Knitting Machine Patterns on Diagrams done by Bertha Kok, Bertha Kok, 2014-12-11 This book is a result of many years of experience and provides more information to assist the knitter to produce an attractive and well-fitted garment. Many people bought machines but did not persevere with the knitting of garments as they received minimal help and advice from technical sources. This book is to motivate and inspire knitters to produce a well-finished garment. Although the manuals teach how to operate the machine, knitters are often at a loss when it comes to average sizes, styles, and measurements. The use of diagrams simplifies the reading of the patterns. One can see at a glance which instructions are required for the garment. The measurements, rows, stitches, and also show shaping. Please note that this book is supplementary to the handbook supplied with your machine. Therefore, refer to your own instruction manual at all times. Although everything was done to avoid mistakes, the writer can't be held responsible for any errors. The use of diagrams simplifies the reading of the patterns. One can see at a glance which instructions are required for the relevant garment. Sizes are for men and ladies in 10 sizes from 82cm to 127 cm, 32 to 50. Children from 3 months to 12 years. Calculations are for 4 ply yarn and 3 ply yarn. Crochet No 5 summer boucle and industrial yarns can also be adapted for the machine knitting patterns.
