Preparation for My Mission Clare Prophet Elizabeth Clare Prophet,Elizabeth Clare Prophet,2009 From a small town New Jersey girl to a world renowned new age teacher Elizabeth Clare Prophet underwent a remarkable transformation At age twenty four she began taking dictations or messages from a group of saints and sages known as the ascended masters By age forty she was called Mother and Guru Ma by thousands of followers and also known as a prophet her real last name She had also begun to be labeled a controversial cult leader Now at the age of seventy she publishes a memoir of her early years In never before released material from interviews letters and diaries she explores her spiritual quest from birth through age twenty four Part I describes a conventional upbringing in 1950s small town America But as she reveals the roots of her spiritual quest were there from an early age expressed in childhood in her remarkable devotion to the proto new age Christian Science She tells how her religion helped her to cope with her father s alcoholism and the childhood onset of epilepsy Part II reveals her teenage ups and downs experiments with Eastern thought and modern philosophy and an early marriage to a fellow Christian Scientist Finally she describes her choice to make the radical change of leaving that marriage to follow Mark Prophet who became her teacher and second husband The work is threaded with her descriptions of the presence of God that she believes overshadowed her from the moment of birth She tells how that presence led her into a spiritual work that touched the lives of thousands This revealing personal journey probes the very essence of spirituality

Hunting Lieutenant Chadbourne Jim W. Corder,2011-01-01 On May 9 1846 Second Lieutenant Theodore Lincoln Chadbourne United States Army fell in the battle of Resaca de la Palma during the war with Mexico Dead at twenty three in a

remote desert his promise outweighing his accomplishments Chadbourne slid into obscurity But his lapse was not immediate nor was it complete clues to Chadbourne lay scattered about the historical landscape Hunting Lieutenant Chadbourne is Jim W Corder s account of his obsessive search for information about this soldier whose name he first read on a historical marker beside a highway in Texas A thoughtful meditation on the connectedness of history and the possibilities of recovering and understanding the past the book reveals as much about Corder s literary and historiographical preoccupations as it does about the life of his subject Rather than order his material into a linear chronological narrative Corder presents it in much the same sequence and form as it came to him The effect is to dramatize the historical process and allow the very details that Corder collects to reveal Chadbourne to the reader Who was Chadbourne and can we ever really know If Corder has any answers they lie in his subtext of uncertainty

Escaped Alone Sharon Chang,2013-03 The Greatest Generation made our world safe for democracy and then sired a generation that began transforming our nation into one that was safe for diversity *Escaped Alone* transports the reader to mid 20th century Virginia to a time when the American South was experiencing its Last Hurrah As a society struggles to return to its prewar stability the slower paced mode of living for the very young remains sheltered and in many ways idyllic allowing ample time to savor the joys of childhood Yet accompanying this pleasant existence is a darker undercurrent of institutionalized injustice that gradually awakens one child to the ugliness of racial religious and lifestyle discrimination within her community Departure for college provides the opportunity to begin her search for a more tolerant mode of living The tale of her development into one who will seize this opportunity is punctuated by abundant humor occasional horror the emergence from the closet of some wildly animated family skeletons and a generous outlay of unmistakably Southern storytelling Its entertainment value aside *Escaped Alone* may well be the first in depth chronicling of exactly how a new kind of American conscience was formed
