### 3rd Grade Tennessee Tcap Coach:

**Linking Teacher Evaluation and Student Learning** Pamela D. Tucker, James H. Stronge, 2005 Tucker and Stronge explore a variety of ways to include measures of student achievement in teacher evaluations so that teachers can better focus efforts to improve their practice

**Catalog of School Reform Models**, 1998

**Transforming Teaching in Math and Science** Adam Gamoran, 2003-01-01 Teachers often want to learn new ideas and approaches to improve their teaching but their efforts are often blocked by structural constraints in their districts and schools How can schools overcome these barriers to provide more supportive environments for change The authors answer this question through the study of six cases of schools and districts where teachers and researchers collaborated to develop teaching for understanding in math and science This new book features a new conceptual model of how school resources relate to teaching and learning focusing not only on material resources such as time and money but also on human and social resources methods that administrators can use to support teachers who want to improve their teaching of math and science elements that professional developers should look for in a school environment when they are considering working with staff on teaching improvements and answers to important questions including how schools operate as organizations how they control work how they respond to changes in their environment and how they improve classroom teaching and learning
