English Language Arts, Grade 12 Module 1 PCG Education, 2015-11-05 Paths to College and Career Jossey Bass and PCG

Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception, Blended learning experiences for teachers and leaders that enrich and extend the learning, A train the trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Simplify Your Writing Instruction April Smith, 2023-10-31 Set up your writing block quickly and easily with a simple research-based framework. Schools need their writing instruction simplified. Most classrooms share writing time with another subject, making it difficult for students to receive the direct writing instruction they need. Between the lack of time, increased gaps in writing skills, and inconsistent writing curriculum, teachers are struggling to bring their students up to grade level. Simplify Your Writing Instruction provides you with a classroom-tested framework that helps you set up your writing block within the limited time and resources you have. Step by step, this practical guide shows you how to amplify your students' writing skills, employ simple feedback opportunities and interventions, streamline your lessons, use simple differentiation techniques to help reach students of all ability levels, and more. Author April Smith is a former teacher who has trained more than 50,000 K-12 educators on best practices for writing instruction. While in the classroom, she learned that having simple and consistent systems in place is critical. Accordingly, none of the tasks and strategies will require you to create or prep anything complicated or time-consuming. In Simplify Your Writing Instruction, you will find easy-to-use checklists, implementation tasks, customizable templates, student writing samples, helpful tables and charts, and a simple

spreadsheet that you can use to plan your lessons and modify your teaching to meet the needs of each writer Be confident and supported in your writing instruction Simplify Your Writing Instruction will teach you how to Implement the Simple Pre Assessment Process in your classroom Encourage authentic writing practice at home Differentiate your lessons to reach your Special Education ELL and Gifted students Integrate grammar naturally and optimize student output after each lesson Split the writing process into efficient and effective 10 to 15 minute mini lessons Make writing a priority by incorporating writing application into other subjects Use a simple pre assessment to get a better overall picture of what your students can do Utilize more complex strategies such as small group work and conferring Packed with expert advice and easy to follow strategies Simplify Your Writing Instruction A Framework for a Better Writing Block is a must have resource for all K 12 educators and teachers in training

The Vulnerable Heart of Literacy Elizabeth Dutro,2019 What is trauma and what does it mean for the literacy curriculum In this book elementary teachers will learn how to approach difficult experiences through the everyday instruction and interactions in their classrooms Readers will look inside classrooms and literacies across genres to see what can unfold when teachers are committed to compassionate critical and relational practice Weaving her own challenging experiences into chapters brimming with children s writing and voices Dutro emphasizes that issues of power and privilege matter centrally to how attention to trauma positions children The book includes questions and prompts for discussion reflection and practice and describes pedagogies and strategies designed to provide opportunities for children to bring the varied experiences of life including trauma to their school literacies in positive meaningful and supported ways This stunning book about trauma interrogates the very notion Dutro excels at interweaving her stories with those of teachers and students and at challenging readers to find their way into the fabric I recommend this book to teachers so that they might accept her challenge to explore and understand the importance of both witnessing and testimony in relation to trauma in literacy curriculum and pedagogy Mollie Blackburn The Ohio State University
