7 Ski Doo Summit Adrenaline 8:

Leocha's Ski Snowboard America (2009) Charlie Leocha, 2008-10-15 Leocha's Ski Snowboard America 21st Edition is a complete guidebook that provides all the information to make intelligent choices and the phone and fax numbers to make reservations and plans. It takes no advertising, has no axe to grind, and is written by Leocha together with an international team of prize-winning ski and snowboard journalists. The writers let skiers and snowboarders know whether the resort is a cluster of condominiums clinging to a steep slope or a traditional mountain village exuding old world atmosphere, and whether they should pack a sequined gown or simply blue jeans for the nightlife. They also give a no-nonsense, accurate and dependable rating of the ski terrain. Ski Snowboard America includes expanded up-to-date coverage of more than 100 resorts in the U.S. and Canada. Readers will learn about cross-country trails surrounding the resorts, as well as details about current prices for lift tickets and ski school programs, complete children and day care programs, plus lodging, dining, and nightlife. Simply more important details than any other guide.
