Producer's Guide to Ableton Live will help you sharpen your production skills and gain a deeper understanding of the Live workflow. If you are a music maker working with other digital audio workstations (DAWs) or experienced in Ableton Live, perhaps earlier versions, you'll be able to put your newfound knowledge to use right away with this book. You'll start with some basic features and workflows that are more suitable for producers from another DAW looking to transfer their skills to Ableton Live 11.2. As you explore the Live concept, you'll learn to create expressive music using Groove and MIDI effects and demystify Live 11's new workflow improvements such as Note Chance and Velocity Randomization. The book then introduces the Scale Mode MIDI Transform tools and other key features that can make composition and coming up with melodic elements easier than ever before. It will also guide you in implementing Live 11's new and updated effects into your current workflow. By the end of this Ableton Live book, you'll be able to implement advanced production and workflow techniques and amplify live performance capabilities with what the Live 11 workflow has to offer. What you will learn: Understand the concept of Live, the workflow of recording and editing Audio and MIDI and Warping. Utilize Groove MIDI effects and Live 11's new workflow enhancements to create innovative music. Use Audio to MIDI conversion tools to translate and generate ideas quickly. Dive into Live's automation and modulation capabilities and explore project organization techniques to speed up your workflow. Utilize MIDI Polyphonic Expression to create evolving sounds and textures. Adopt useful techniques for production and discover the capabilities of live performance. Who this book is for: If you are a music producer enthusiast or hobbyist with a basic understanding of using Ableton Live for simple projects, this Ableton Live 11 book will help you improve your skills to employ the best features and techniques in your projects. This book is also for producers familiar with other DAWs looking to leverage their transferable skills to learn Ableton Live.
