It is like a lucky bag at a fair. In his zigzag journey around the world, the humorist has made a collection of odds and ends of fun philosophy and fantastic description such as has never been gathered in the pages of a single book, and any one dipping in at random is sure of a prize. The heterogeneous mass has some pretense of being loosely strung together, but it is on a line as long as the Equator itself. It is a traveler's miscellany, a globe trotter's hotch potch, a sociologist's cabinet of specimens, all bearing the quaint labelings of the creator of Pudd'nhead Wilson. Here is a rare bit of humor surreptitiously picked up in a New Zealand drawing room; there a sample fragment of a life tragedy which the trophy hunter knocked off Molokai. This division of the cabinet contains an incident from the stage door of a New York theater; that next to it a unique string of anecdotes of tiger hunting in Baroda. And according to the labels, many of the specimens were picked up in very unexpected places, as for instance the yarn about Barnum which the collector found in Delagoa Bay. But wherever found or however incongruously grouped, this cabinet of odds and ends of life is one of the most interesting and unique collections ever made by a traveler. **The Writings of Mark Twain: Following the equator; a journey around the world** Mark Twain, Charles Dudley Warner,1899 **The Writings of Mark Twain [pseud.]** Mark Twain,1899 **Art Book News Annual, volume 4: 2008** **Art Book News Annual, volume 4: 2008** , *Get the Picture* Bianca Bosker,2025-04-15 AN INSTANT NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF 2024 BY NPR, TIME AND THE ECONOMIST. *Get the Picture* is one of the funniest books I've read. Brilliant. The Washington Post: A gripping and often hilarious investigation into the art world. Bosker goes full Tom Wolfe. TIME: Funny, whip-smart and gorgeously written. *Get the Picture* will forever transform the way you see. I loved every word. Suleika Jaouad, New York Times bestselling author of *Between Two Kingdoms*. The New York Times bestselling author of *Cork Dork* takes readers on another fascinating, hilarious and revelatory journey this time burrowing deep inside the secretive world of art and artists. An award-winning journalist obsessed with obsession.

Bianca Bosker's existence was upended when she wandered into the art world and couldn't look away. Intrigued by artists who hyperventilate around their favorite colors and art fiends who max out credit cards to show hunks of metal they think can change the world, Bosker grew fixated on understanding why art matters and how she or any of us could engage with it more deeply. In *Get the Picture*, Bosker throws herself into the nerve center of art and the people who live for it: gallerists, collectors, curators, and of course artists themselves, the kind who work multiple jobs to afford their studios while scrabbling to get eyes on their art. As she stretches canvases until her fingers blister, talks her way into A-list parties full of billionaire collectors, has her face sat on by a nearly naked performance artist, and forces herself to stare at a single sculpture for hours on end while working as a museum security guard, she discovers not only the inner workings of the art canonization machine but also a more expansive way of living. Probing everything from cave paintings to Instagram and from the science of sight to the importance of beauty as it examines art's role in our culture, our economy, and our hearts, *Get the Picture* is a rollicking adventure that will change the way you see forever.

The Wayward Tourist Mark Twain, 2007 At the height of his fame, Mark Twain, the great writer and humorist from Missouri, was facing financial ruin from one of his failed business ventures. Broke but much loved, he embarked on a money-raising lecture tour around the equator, making a stop in Australia. *The Wayward Tourist* republishes Mark Twain's Australian travel writing in which he recounts impressions of Sydney. God made the Harbor, but Satan made Sydney, and his view of Australian history it reads like the most beautiful lies. In his introduction, Don Watson brilliantly pays homage to America's funny man who brought his swagger, love of language, and wicked talent for observation.
