

Essay on I Love My Family

- Family is always a number one priority in my life and I always think of ways to give back to them in non-material ways.
- They are my first school and their teaching has strengthened my bond with them and their love makes me feel good always.
- Family plays a very important role in my life and with the help of the love I receive from them helps shape my personality.

Writers at Work: The Essay Student's Book Dorothy Zemach, Lynn Stafford-Yilmaz, 2008-01-14 Following on from *Writers at Work: The Paragraph* and *Writers at Work: The Short Composition*, *Writers at Work: The Essay* will teach the basics of academic essay writing to intermediate level students. In *Writers at Work: The Essay*, college and university students use the process approach to write different genres of essays common at the post-secondary level, the most important being expository writing, persuasive writing, and timed essay exams. Each chapter uses the same five-step approach to writing that is used in the two lower-level books. In each chapter, students analyze a model essay, noticing key organizational and linguistic features; brainstorm ideas; write multiple drafts; revise their work; engage in peer reviews; and share their finished work. Chapters recycle and build upon previously taught material. **Four Square Examples and Essays** Judy Gould, Evan Jay Gould, Mary F. Burke, 2010-09-01 This easy-to-use packet uses the Four Square method to teach your students valuable writing skills with examples and essays. The popular Four Square method, which has been proven to work in classrooms just like yours, can be used with all forms of writing and will fit any reading or language arts program. This step-by-step approach is built around a simple graphic organizer that first shows students how to collect ideas and then helps them use those ideas to create clear and polished prose. Open-ended reproducibles make the technique accessible to writers of all ability ranges. It is also great for content area writing.

The Academic Writer Lisa Ede, 2007-12-27 Much has changed since the first edition of *Lisa Ede's Work in Progress*: students need more rigorous help working with sources, creating effective arguments, and addressing the greater demands of academic writing in a digital age. Refocused on the kinds of academic writing students do now, *The Academic Writer* is a radical revision of *Work in Progress*. Written in Lisa Ede's accessible, supportive style, *The Academic Writer* gives students easy-to-use guidelines to make effective choices at each stage of the writing process.
