But in a world where dating is increasingly based on split second decisions and geared toward casual relationships rather than

marriage it's easy for single people to feel discouraged, used or unworthy of true love and lasting affection. Reality just never seems to match up with our often wildly unrealistic expectations. Jonathan JP Pokluda has counseled thousands of young singles through the pain and heartbreak of dating the world's way. Now he wants to dispel the myths, misconceptions and fairy tales you've believed about dating and replace them with the truth from the One who invented marriage, created you to crave relationship and is the very embodiment of true love. With plenty of true stories about relationships healed and love found, this practical book explains God's purposes for singleness, dating and marriage and covers why you should date, who you should date and how you should date. If you're ready to trade the world's way of dating for the way that actually works, it's time to begin dating well.

**A Rattling of Sabers** Greg Bourgond, 2012-10. Becoming a Christian man means more than simply saying a few words of acceptance and attending church. It is a transformation of one's beliefs, values, attitudes and motives. Even so, developing a heart after God isn't easy; it requires dedication and courage. A true spiritual roadmap for the Christian man, *A Rattling of Sabers* leads men on a spiritual journey to help them embrace a renewed relationship with Christ. Dr. Greg Bourgond reveals how men can live godly lives filled with authenticity, integrity, courage and honor under God's authority. Building on nearly four decades of ministering to men through discipleship, mentoring, teaching and leadership development, he offers an experienced, trustworthy voice for the road ahead. Dr. Bourgond shares personal illustrations and fresh theological insights to teach men to embrace their unique wiring and to accept God's purpose for their lives. He also provides guidance on how to correct corrupted behavior. Dr. Bourgond shows that through prayer and study of God's word, living God's preferred lifestyle is not only possible but brings blessings beyond imagining. When today's culture prefers men to act less than godly, *A Rattling of Sabers* is a timely study that encourages men to bring glory and honor to God.

***Valiant Warrior*** Anne Saxe, 2016-01-28. Christians are sometimes ashamed to admit when they are hurting due to depression and/or chronic illness. It may be suggested that a person suffering these maladies is not praying enough, serving enough or trusting God enough. These beliefs only serve to further isolate a fellow believer who is in pain. This book was written to encourage battle-weary sufferers of depression and chronic illness to let them know that they are not as alone as they may fear and to assure them that God will see them through their struggles.
