Crafting an essay on Abraham Lincoln is no small feat, as the subject matter encompasses a vast array of historical, political, and social intricacies. The challenge lies not only in capturing the essence of Lincoln's life and presidency but also in weaving a narrative that does justice to the profound impact he had on the nation. One must navigate through a multitude of sources, ranging from primary documents to scholarly analyses, to form a comprehensive understanding of Lincoln's character, leadership style, and the turbulent times he lived in.

The difficulty intensifies when attempting to strike the right balance between historical accuracy and engaging storytelling. Transforming a plethora of facts and events into a coherent and compelling narrative requires meticulous research and a keen analytical eye. It is crucial to delve into Lincoln's speeches, writings, and contemporaneous accounts to uncover the nuances of his thoughts and decisions.

Moreover, addressing the various facets of Lincoln's legacy adds another layer of complexity. From his role in preserving the Union during the Civil War to his commitment to emancipation and the enduring impact of his leadership on American democracy, each aspect demands careful consideration. The challenge is not just in presenting these elements but in synthesizing them into a cohesive and insightful essay that goes beyond a mere chronological account.

Furthermore, grappling with the diverse perspectives on Lincoln—ranging from adoration to criticism—adds an additional layer of complexity. It requires a nuanced understanding of historical interpretation and the ability to navigate through conflicting viewpoints. Crafting an essay on Abraham Lincoln necessitates the writer's ability to critically assess the various arguments, acknowledging the complexities of history while providing a well-supported and coherent analysis.

In conclusion, writing an essay on Abraham Lincoln is a formidable task that requires a deep dive into historical research, analytical thinking, and the ability to weave a captivating narrative. Schurz, Truman Howe 1835 Bartlett, 2016-08-24      **An Oral History of Abraham Lincoln** Michael Burlingame, 2006-01-24

John C Nicolay who had known Lincoln in Springfield Illinois served as chief White House secretary from 1861 to 1865 Trained as a journalist Nicolay had hoped to write a campaign biography of Lincoln in 1860 a desire that was thwarted when an obscure young writer named William Dean Howells got the job Years later however Nicolay fulfilled his ambition with John Hay he spent the years from 1872 to 1890 writing a monumental ten volume biography of Lincoln In preparation for this task Nicolay interviewed men who had known Lincoln both during his years in Springfield and later when he became the president of the United States When it came time to write their massive biography however Burlingame notes he and Hay made sparing use of the interviews because they had become skeptical about human memory Nicolay and Hay also feared that Robert Todd Lincoln might censor material that reflected poorly on Lincoln or his wife Nicolay had interviewed such Springfield friends as Lincoln s first two law partners John Todd Stuart and Stephen T Logan At the Illinois capital in June and July 1875 he talked to a number of others including Orville H Browning U S senator and Lincoln s close friend and adviser for over thirty five years and Ozias M Hatch Lincoln s political ally and Springfield neighbor Four years later he returned briefly and spoke with John W Bunn a young political insider from Springfield at the time Lincoln was elected president and once again with Hatch Browning shed new light on Lincoln s courtship and marriage telling Nicolay that Lincoln often told him that he was constantly under great apprehension lest his wife should do something which would bring him into disgrace while in the White House During their research Nicolay and Hay also learned of Lincoln s despondency and erratic behavior following his rejection by Matilda Edwards and they were subsequently criticized by friends for suppressing the information Burlingame argues that this open discussion of Lincoln s depression of January 1841 is perhaps the most startling new information in the Springfield interviews Briefer and more narrowly focused than the Springfield interviews the Washington interviews deal with the formation of Lincoln s cabinet his relations with Congress his behavior during the war

his humor and his grief In a reminiscence by Robert Todd Lincoln for example we learn of Lincoln s despair at General Lee s escape after the Battle of Gettysburg I went into my father s office and found him in much distress his head leaning upon the desk in front of him and when he raised his head there were evidences of tears upon his face Upon my asking the cause of his distress he told me that he had just received the information that Gen Lee had succeeded in escaping across the Potomac river To supplement these interviews Burlingame has included Nicolay s unpublished essays on Lincoln during the 1860 campaign and on Lincoln s journey from Springfield to Washington in 1861 essay s based on firsthand testimony
