[A Progressive Voice in the Catholic Church in the United States](#) Arthur J. McDonald,2019-10-29 In the summer of 1966 one year after the conclusion of the Second Vatican Council a group of nineteen Roman Catholic priests met clandestinely in a church hall in a suburb of Pittsburgh to discuss forming an independent group of ordained clergy Fearful that meeting publicly might be viewed as a threat to the authority of the local bishop thus potentially risking sanctioning from him they used numbers not names when circulating the minutes of the first two meetings Once the word spread among the local clergy that such a group was meeting and they realized there was widespread interest they went public and invited all of Pittsburgh s Catholic clergy including the bishop to their third meeting They chose a name the Association of Pittsburgh Priests APP and the group was launched Shortly after forming and with interest from among over two hundred clergy APP began advocating for major church renewal and involvement in any number of social justice issues Regarding church renewal they grounded themselves in the documents of Vatican II most especially Gaudium et Spes Church in the Modern World and soon lobbied for optional celibacy and married priesthood women s ordination lay empowerment including the promotion of the early church notion of the priesthood and prophethood of all believers To this day APP remains a force for change in the church and in society ever true to its initial intuition to fully implement the renewal of church and society called for by the bishops at Vatican II

Confronting a Church in Controversy Hinze, Bradford E.,2022 In this book the clergy sex abuse controversy is considered in light of three basic faith convictions that have been brought into clearer focus during and since the Second Vatican Council The first guiding claim builds on Vatican II s teaching now championed by Pope Francis that through the anointing of the Spirit of God the baptized are gifted and summoned to live out the prophetic office of all the faithful people of God by actively participating in the life and mission of the church This is achieved through personal and collective discernment by means of synodality that is as all the members of the church we are finding our way together The prophetic gift and office guide this journey by providing a sense of the faith in all the faithful not only to recognize receive and witness to the Word of God but just as important in our endeavor in this book to heed receive and respond to the voice of the Spirit perceived in the laments of victims grieving their violations their wounds and the disfunctions at all levels of the church made manifest in the clergy sex abuse This requires a deeper assessment of these issues provided by post Vatican II clarifications of social and structural sin based on a realistic assessment of the sources of the laments and conflicts the wounds and disfunctions in the church that provide the impetus and conditions for genuine church reform These claims will provide the theological framework of the book

The Diocese's Darkest Chapter Allison Niebauer,2023-12-08 From its quiet inception in 1988 to a hailstorm of statewide and national controversy over thirty years later this book follows the development of public discourse regarding a clergy sexual abuse scandal in a small Catholic Diocese in Central Pennsylvania Weaving together the evolving local and national narratives it offers a striking account of how stakeholder rhetoric has influenced public perception of the Catholic abuse crisis in America and driven public actions While the book enriches our local knowledge of the tragic and ongoing cultural trauma triggered by the revelation of clergy

perpetrated abuse in a small Catholic Diocese it also makes a critical theoretical contribution to our understanding of the role of rhetoric in publicizing private pain and galvanizing collectives to take it on as their own The process of cultural trauma Niebauer contends unfolds through rhetorical forms that provide individuals with a constraining and enabling set of rhetorical choices Highlighting the recurrent rhetorical forms of narration *kategoria apologia* and *topoi* The Diocese's Darkest Chapter brings a new vocabulary and explanatory force to the study of cultural trauma and the Catholic abuse crisis in America
