Academic Sexism On The Eve Of The Feminist Revolution:

Reclaiming Feminism Miriam E. David, 2016-06-15 Since second wave feminism of the 1970s women's rights and opportunities in education and employment have increased across the globe but has equality whether social political or legal really been achieved In this fascinating book Miriam E David a well known and influential feminist in higher education celebrates the achievements of international feminists as activists and scholars She provides a critique of the expansion of global higher education masking their pioneering zeal and zest for knowledge Looking at the changing zeitgeist David contends that feminism has yet to have an enduring influence despite how generations of women have felt empowered She illustrates the power of patriarchal social relations and how everyday sexism or misogyny is keenly felt This impassioned book asks whether a feminist friendly future is possible or indeed desirable

Historicising the Women's Liberation Movement in the Western World Laurel Forster, Sue Bruley, 2019-07-09 The Women's Liberation Movement WLM of the late 1960s 1970s and 1980s emerged out of a particular set of economic and social circumstances in which women were unequally treated in the home the workplace and in culture and wider society As part of the WLM women collected together in disparate groups and contexts to express their dissatisfaction with their role and position in society making their concerns apparent through consciousness raising and activism This important time in women's history is revisited in this collection which looks afresh at the diversity of the movement and the ways in which feminism of the time might be reconsidered and historicised The contributions here cover a range of important issues including feminist art local activism class distinction racial politics perceptions of motherhood girls education feminist print cultures the recovery of feminist histories and feminist heritage and they span personal and political concerns in Britain Canada and the United States Each contributor considers the impact of the WLM in a different context reflecting the variety of issues faced by women and helping us to understand the problems of the second wave This book broadens our understanding of the impact and the implication of the WLM explores the dynamism of women's activism and radicalism and acknowledges the significance of this movement to ongoing contemporary feminisms The chapters in this book were originally published as a special issue of Women's History Review

The Bible and Feminism Yvonne Sherwood, 2017-12-01 This groundbreaking book breaks with established canons and resists some of the stereotypes of feminist biblical studies It features a wide range of contributors who showcase new methodological and theoretical movements such as feminist materialisms intersectionality postidentitarian nomadic politics gender archaeology and lived religion and theories of the human and the posthuman The Bible and Feminism Remapping the Field engages a range of social and political issues including migration and xenophobia divorce and family law abortion pinkwashing the neoliberal university the second amendment AIDS and sexual trafficking and the politics of the veil Foundational figures in feminist biblical studies work alongside new voices and contributors from a multitude of disciplines in conversations with the Bible that go well beyond the expected canon within the canon assumed to be of interest

to feminist biblical scholars Moving beyond the limits of a text orientated model of reading this collection looks at how biblical texts were actualized in the lives of religious revolutionaries such as Joanna Southcott or Sor Juana In s de la Cruz It charts the politics of the Pauline veil in the self understanding of Europe and reads the genealogical halls in the book of Chronicles alongside acts of commemoration and forgetting in 9 11 and Tiananmen Square *Feminism in Islam* Margot Badran,2013-10-01 While many in the West regard feminism and Islam as a contradiction in terms many Muslims in the East have perceived Western feminist forces in their midst as an assault upon their culture In this career spanning collection of influential essays Margot Badran presents the feminisms that Muslim women have created and examines Islamic and secular feminist ideologies side by side Borne out of over two decades of work this important volume combines essays from a variety of sources ranging from those which originated as conference papers to those published in the popular press Also including original material written specifically for this book *Feminism and Islam* provides a unique and wide ranging contribution to the field of Islam and gender studies

Abolitionist Socialist Feminism Zillah Eisenstein,2019-05-22 A personal and political manifesto vying for an antiracist socialist feminist movement of movements The world is burning flooding and politically exploding to the point where it s become clear that neoliberal feminism the kind that aims to elect The First Woman President will never be enough In this book Zillah Eisenstein asks us to consider what it would mean to thread socialism to feminism then what it would mean to thread abolitionism to socialist feminism She asks all of us especially white women to consider what it would mean to risk everything to abolish white supremacy to uproot the structural knot of sex race gender and class growing from that imperial whiteness If we are to create a revolution that is totally liberatory we need to pool together in a new working class building a radical movement made of movements Eisenstein s manifesto is built on almost half a century of her antiracist socialist feminist work But now she writes with a new urgency and imaginativeness Eisenstein asks us not to be limited by reforms but to radicalize each other on differing fronts Our task is to build bridges to connect disparate and passionate people across aisles state lines picket lines and more The genius force demanding that we abolish white supremacy can also create a new we for all of us a humanity universally accepting of our complexities and differences We are in uncharted waters but that is exactly where we need to be

The Evolution of Socialist Feminism from Eleanor Marx to AOC Karen Bojar,2024-11-21 The Evolution of Socialist Feminism from Eleanor Marx to AOC traces the intersection of feminism and socialism as it has played out in the socialist movements arising in Europe and North America in the nineteenth through early twenty first centuries From well known figures in the history of socialism such as Rosa Luxemburg Sylvia Pankhurst and Angela Davis to lesser known individuals including Claudia Jones Sheila Rowbotham and Zillah Eisenstein this book examines the socialist feminists who have been among the most powerful voices insisting on freedom of expression and participatory democracy within the socialist movement as well as within the larger society It considers how these figures contributed to what has become a twenty first century multiracial grassroots socialist feminist

movement led by young women of color playing a major role in radical movements across the globe The Evolution of Socialist Feminism from Eleanor Marx to AOC is an important text for undergraduate students of politics sociology and gender studies as well as for the general reader

The Many Dimensions of Chinese Feminism Y. Chen, 2011-05-23 In the current English language publication market this book is one of the earliest academic monographs to comparatively investigate different feminist scholars and academic feminism across the Taiwan Strait It problematizes recent scholarly understanding of feminist complexity in various Chinese speaking areas This book addresses sociocultural backgrounds of how Mainland Chinese Taiwanese and Hong Kong feminist scholars strategize their transfers localization and acculturation of Western feminist literary theories It emphasizes how Chinese literary theorists filter gate keep select import latest Western feminist theories and then match them with local socio cultural trends by exerting comparative researchers cross cultural and cross lingual academic power in order to tackle Mainland China s Taiwan s and Hong Kong s own gender problems

The Women's Liberation Movement and the Politics of Class in Britain George Stevenson, 2019-02-21 This is the first study of the British Women s Liberation Movement s relationship with class politics It explores the meaning of class to women s liberationists identities and activism both nationally and regionally using a previously neglected feminist cluster in North East England as a case study Stevenson demonstrates that British feminism was shaped fundamentally by its relationship to synthesis with and rejection of class politics Through these processes feminists recognised how post war changes in the economy and gender roles were reshaping class and the Women s Liberation Movement attempted to remake class politics in response However socio economic and cultural class differences between the women involved linked to occupation education and background remained intractable obstacles causing tensions within groups fragmentations into specific class based groups and the ultimate failure of the movement to coalesce into a coherent coalition with labour politics despite great levels of solidarity around particular struggles Examining regional feminism against the national backdrop The Women s Liberation Movement and the Politics of Class in Britain provides an engaging exploration of the fruitful but challenging relationship between British feminism and class politics in a capitalist society

The Queer Sixties Patricia Juliana Smith, 2013-12-16 The Queer Sixties assembles an impressive group of cultural critics to go against the grain of 1960s studies and proposes new and different ways of the last decade before the closet doors swung open Imbued with the zeitgeist of the 60s this playful and powerful collection rescues the persistence of the queer imaginary

Feminism and Christianity Caryn D. Riswold, 2009-10-01 Why should feminists care about Christianity Why should Christians care about feminism In *Feminism and Christianity* Riswold presents a collection of concise answers to basic questions like these in order to generate discussion about how the two can challenge each other and can even work together in the twenty first century Situated firmly in the third wave of feminist activism and scholarship as well as in contemporary Christian theology Riswold addresses issues such as race class gender and sexuality with an affirmation of tradition alongside a push for change This book is an opportunity for

Christians to gain a fuller understanding of feminism moving beyond stereotypes and assumptions and into history and contemporary society Simultaneously this book is an opportunity for feminists to understand the ongoing relevance of a religion whose social power and core commitments can contribute to a vision of a just human community Muslim Feminism and Feminist Movement: Iraq, Palestine, Saudi Arabia, Turkey Abida Samiuddin,Rashida Khanam,2002

Producing Feminism Jennifer S. Clark,2024-02-27 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more In this deeply archival work Jennifer S Clark explores the multiple ways in which women s labor in the American television industry of the 1970s furthered feminist ends Carefully crafted around an impressive assemblage of interviews and primary sources from television network memos to programming schedules production notes to executive meeting agendas Clark tells the story of how women organized in the workplace to form collectives affect production labor and develop reform oriented policies and philosophies that reshaped television behind the screen She urges us to consider how interventions often at localized levels can collectively shift the dynamics of a workplace and the cultural products created there Hail Mary? Maurice Hamington,2014-04-23 Hail Mary examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary the mother of Jesus Maurice Hamington explores the sources for three prominent Marian images Mary as the the blessed Virgin Mary the Mediatrix and Mary the second Eve Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women In challenging dominant religious representations of Mary Hamington surveys a variety of emerging reinterpretations of Mary He then provides a framework for further study of non alienating images of Mary Feminism and Women's Writing Catherine Riley,2018-02-09 Explores the transformative reign of the Catholic King James VII and the revolution that brought about his fall **The Rhetorics of Feminism** Lynne Pearce,2013-04-15 Is it possible that changes in rhetorical practice could alter not just how thought is expressed but also how it is made Through a close stylistic and rhetorical analysis of contemporary feminist writing from the cultural theory of Judith Butler to the popular journalism of Naomi Wolf and Germaine Greer Lynne Pearce demonstrates how feminist thought is created as well as communicated through the frameworks in which it is presented By linking rhetorical innovation with feminist epistemology in such a direct way this is a book that will be of immense methodological as well as theoretical interest to readers providing valuable insight into the often mysterious processes of conception and composition **Muslim Feminism and Feminist Movement: India** Abida Samiuddin,Rashida Khanam,2002 Women's Activism and "Second Wave" Feminism Barbara Molony,Jennifer Nelson,2017-02-09 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched Women s Activism and Second Wave Feminism situates late 20th century feminisms within a global framework of women s activism Its chapters written by leading international scholars demonstrate how issues of heterogeneity

transnationalism and intersectionality have transformed understandings of historical feminism It is no longer possible to imagine that feminism has ever fostered an unproblematic sisterhood among women blind to race ethnicity class sexuality nationality and citizenship status The chapters in this collection modify the wave metaphor in some cases and in others reperiodize it By studying individual movements they collectively address several themes that advance our understandings of the history of feminism such as the rejection of hegemonic feminism by marginalized feminist groups transnational linkages among women s organizations transnational flows of ideas and transnational migration By analyzing practical activism the chapters in this volume produce new ways of theorizing feminism and new historical perspectives about the activist locations from which feminist politics emerged Including histories of feminisms in the United States Canada South Africa India France Russia Japan Korea Poland and Chile **Women s Activism and Second Wave Feminism** provides a truly global re appraisal of women s movements in the late 20th century

Feminisms in the Nordic Region Suvi Keskinen,Pauline Stoltz,Diana Mulinari,2020-11-30 This book explores how feminist movements in the Nordic region challenge the increasing gender race and class inequalities following the global economic crisis neoliberal capitalism and austerity politics and how they position themselves in the face of the rise of nationalism and right wing populism The book contextualizes these recent events in the long histories of racial and colonial power relations embedded in Nordic societies and their gender equality and welfare state regimes It examines the role of whiteness and racism and seeks to decolonize feminist knowledge and genealogies of feminist movements in the region The contributions provide in depth knowledge on the different orientations dilemmas and tactics that feminisms develop in these challenging times and show the centrality of antiracist and decolonizing critiques of feminisms They further highlight the strategies of feminist and related antiracist and indigenous movements in regards to ideas about hope solidarity intersectionality and social justice Chapters 6 7 9 and 10 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)
