Literary Ideas and Scripts for Young Playwrights Lisa K. Cobb, 2004-02-23 This collection presents techniques for tapping a broad range of literary sources to inspire young writers Drawing upon poetry folk tales story jokes and more Literary Ideas walks students in grades 3-8 through the process of creating new stories and developing them as scripts for choral readings readers theatre and classroom plays The process inspires creativity problem solving observation and listening skills within a writing and theatrical framework Includes the following Poetry for Choral Readings Fairy Tales for Reader's Theater Folk Tale Plays Fairy Tale Alterations for Reader's Theater Fairy Tale Alterations for Plays Modern Fairy Tale Plays Story Joke Plays Poetry Plays Historical Plays Modern Cultural Myth Plays *Brothers and Sisters in Adoption* Arleta James, 2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it *Brothers and Sisters in Adoption* offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive **ROMANCE-411 Your Little Black Book of Romantic Ideas** Traci Bogan, 2007-09

was declared in 1814 The society and manners of a bruised and touchy French populace ever ready to quarrel and duel are contrasted with the happiness of the British and some of their collaborators The second part of his book is much more of a military point of view and focuses on the attack on New Orleans in 1814 Of the many amphibious operations undertaken by the British army few have been as unsuccessful as the abortive attempt to capture New Orleans during the war of 1812 with America It was an abortive operation during an abortive war from a British point of view from the American side righteous indignation was mingled with an attempted land grab whilst the enemy was engaged elsewhere ended with bloody noses all round However the British Army s new found reputation gained against Napoleon s legions was severely dented by their failure to take New Orleans Captain Cooke recounts the fiasco in all its details His wry yet sensitive style is at home either in the mayhem of engagement or the critique of the operations as a whole A relatively unknown treasure *50 Events That Shaped African American History* Jamie J.
