**Herald and Presbyter**, 1909      **Renaming Abraham's Children** Robert B. Foster, 2016-07-25

In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham's children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God's chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age      The American Friend, 1925
